

This guide assists University of Malta & Junior College users to set up eduroam on their laptop running MS Windows 10 to connect to the wireless network at UoM/JC and at other institutions participating in the eduroam initiative.

More information about eduroam is available at:

www.um.edu.mt/itservices/facilities/eduroam

To set up eduroam:

1. When you are within an eduroam network range, click the wireless icon  in the system tray.
2. Click on **eduroam** from the list of wireless network, tick the **Connect automatically** box next to eduroam, and then click **Connect**.

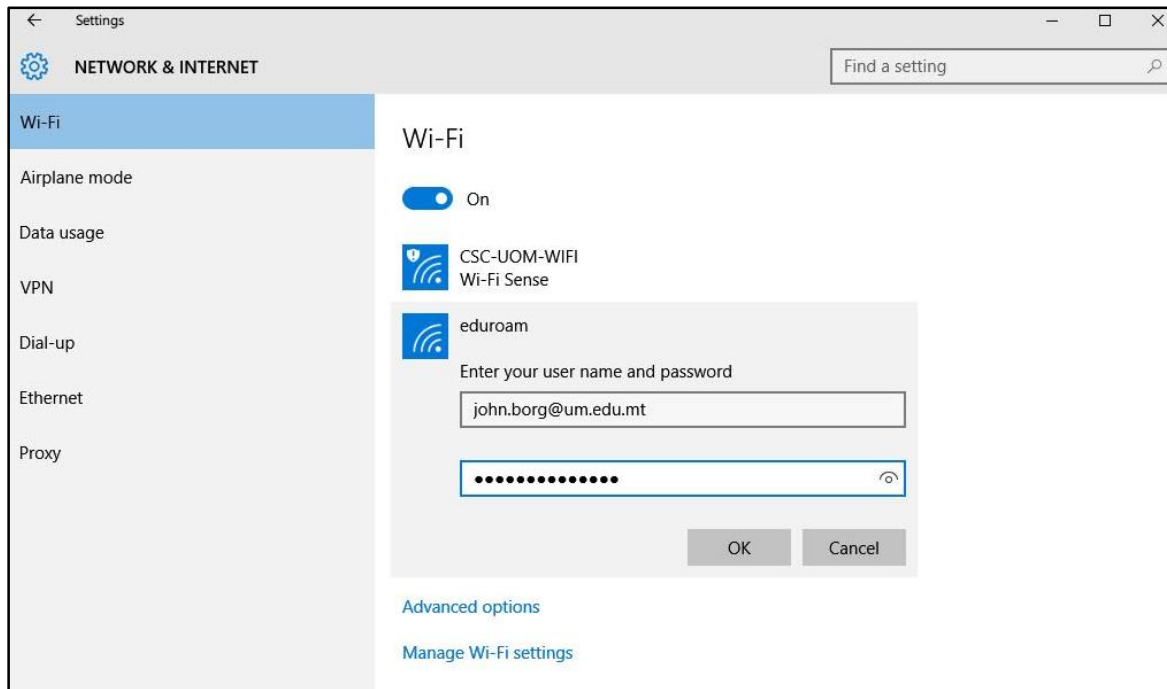

3. When prompted, enter your details as follows:

Username: University or Junior College email address

e.g. john.borg@um.edu.mt, jbor0001@jc.um.edu.mt

Password: Your corresponding University or Junior College email password

4. Click **OK**.

5. Click **Connect**. Your device is now configured to connect to eduroam. Click on **eduroam** from the list of wireless networks if you are not connected automatically.
