

This guide assists University of Malta & Junior College users to set up eduroam on their iPad and iPhone to connect to the wireless network at UoM/JC and at other institutions participating in the eduroam initiative.

More information about eduroam is available at:

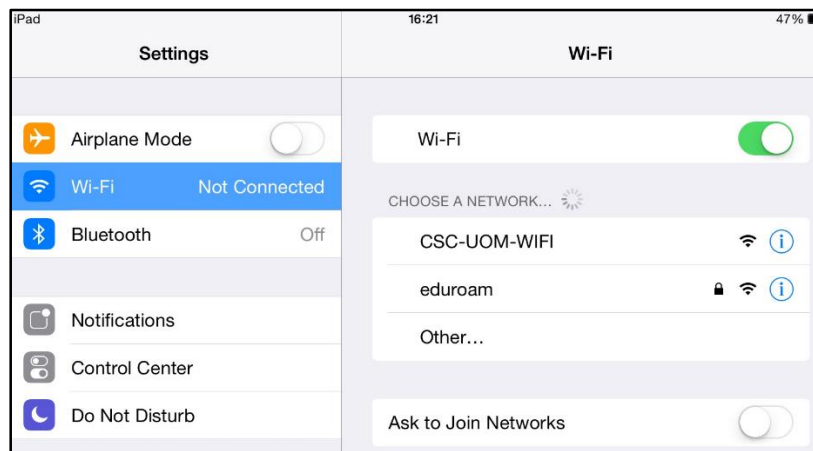

[www.um.edu.mt/itservices/facilities/eduroam](http://www.um.edu.mt/itservices/facilities/eduroam)

To set up eduroam:

1. In the Springboard (Home Screen) of your device, tap the **Settings** application.

2. The System Settings screen is displayed. Ensure that **Wi-Fi** is **ON** and tap **eduroam**.

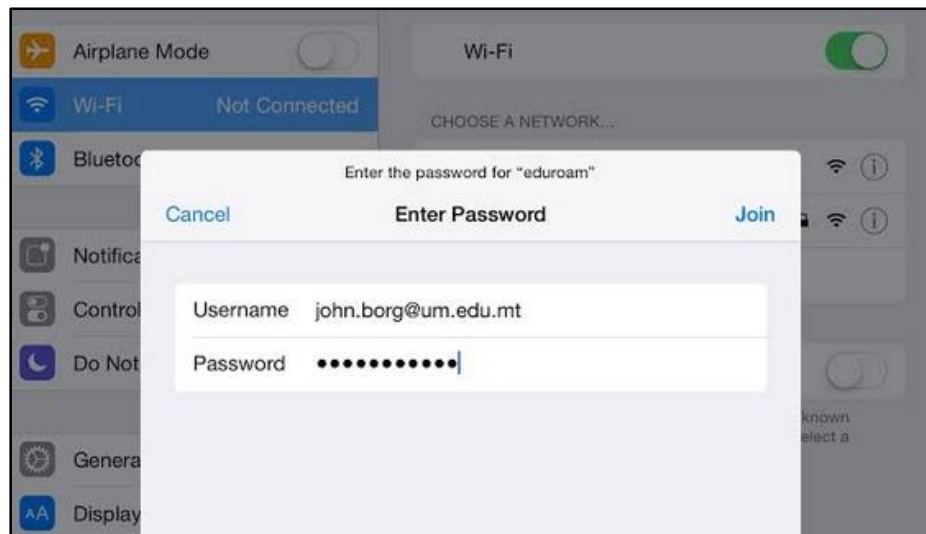

3. When prompted, enter your details as follows:

**Username:** University or Junior College email address

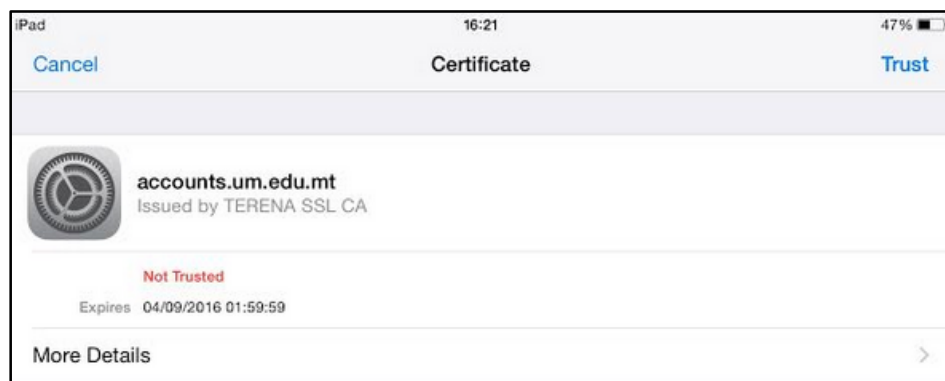

e.g. [john.borg@um.edu.mt](mailto:john.borg@um.edu.mt), [jbor0001@jc.um.edu.mt](mailto:jbor0001@jc.um.edu.mt)

**Password:** Your corresponding University or Junior College email password.

4. Tap **Join**.

5. In the Certificate screen, tap **Trust** at the top-right corner.

6. Your iOS device is now configured to connect to eduroam. Tap on **eduroam** from the list of wireless networks if you are not connected automatically.
