This guide assists University of Malta & Junior College users to set up eduroam on their iPad and iPhone to connect to the wireless network at UM/JC and at other institutions participating in the eduroam initiative.
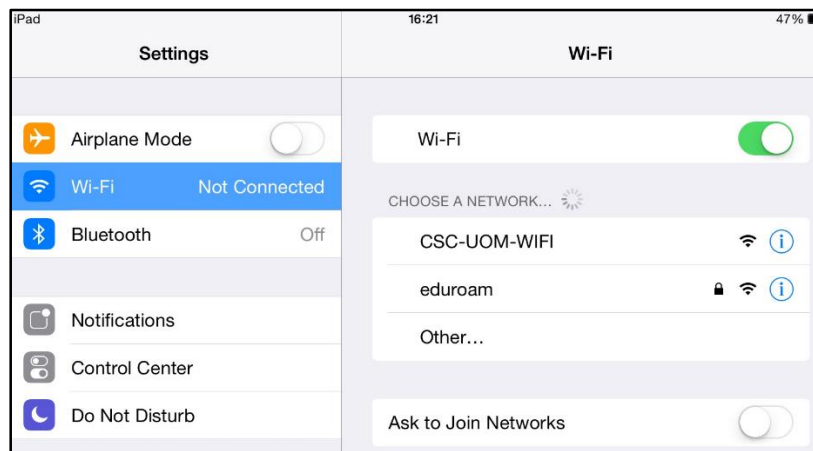

More information about eduroam is available at:

<p style="text-align:center">www.um.edu.mt/itservices/facilities/eduroam</p>

To set up eduroam:

1.  In the Springboard (Home Screen) of your device, tap the **Settings** application.

2.  The System Settings screen is displayed. Ensure that **Wi-Fi** is **ON** and tap **eduroam.**
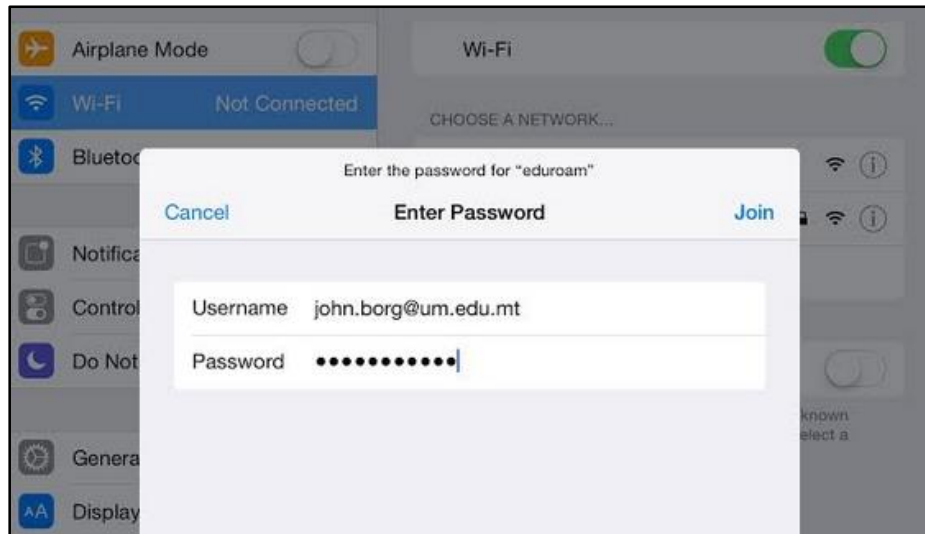

3. When prompted, enter your details as follows:
   **Username:** University or Junior College email address
   e.g. john.borg@um.edu.mt, jbor0001@jc.um.edu.mt
   **Password:** Your corresponding University or Junior College email password.

4. Tap **Join**.

5. In the Certificate screen, tap **Trust** at the top-right corner.

6. Your iOS device is now configured to connect to eduroam. Tap on **eduroam** from the list of wireless networks if you are not connected automatically.
