# Degree+

The **DegreePlus** team welcomes you to the University of Malta and invites you to enrol in some of the units on offer in 2016/17. *DegreePlus* is an initiative of the University of Malta which aims to help you add value to your experiences in higher education while studying for your degree. Your University years are a time for personal growth and development, and *DegreePlus* is tailor-made to provide you with a diverse and exciting range of opportunities to help you broaden your academic and non-academic horizons.

The areas covered by *DegreePlus* include Entrepreneurship, Sport, Culture and Heritage, Languages, Voluntary Work, Music, Creative and Performing Arts and many more. There really is something for everyone! All *DegreePlus* units have been designed in awareness of student needs and aspirations, and the *DegreePlus* team is confident that you will find something there to meet your interests and expectations. Apart from this, in collaboration with the Knowledge Transfer Office, we also run a placements programme to help you be better primed for the work environment.

*For further information about DegreePlus you are invited to attend an introductory meeting on Monday 3 October, 1430hrs at Sir Temi Zammit Hall. Visit [www.um.edu.mt/degreeplus](http://www.um.edu.mt/degreeplus) or pop into our office in University House.*

## The University of Malta Wind Ensemble

The University of Malta Wind Ensemble, under the musical direction of Dr Philip Ciantar, is one of the initiatives of DegreePlus. It was established in 2009 to provide a high quality performing experience to wind and percussion players as well as to produce exciting and dynamic concert for a wide range of audiences. The Ensemble meets every week for rehearsals and instrumental coaching sessions.

Through the Ensemble, students from all University faculties and institutes are given the opportunity to meet and experience an array of musical genres and styles, ranging from arrangements of well-known orchestral pieces to jazz and contemporary music. In addition, students are encouraged to play solo pieces and to produce their own musical compositions and arrangements. The Ensemble has also performed in Italy.

So try something different this year. Be creative: don't hesitate, and enrol with the University Wind Ensemble, or any other DegreePlus unit!

*If you are interested in engaging in one of these initiatives, just send us an email on [degreeplus@um.edu.mt](mailto:degreeplus@um.edu.mt) and we shall be happy to help.*
