Degree+

Your degree... and a little more

The DegreePlus team welcomes you to University and invites you to enrol in some of the units on offer in 2014/15. DegreePlus is an initiative of the University of Malta which aims to help you add value to your experiences in higher education while studying for your degree. Your University years are a time for personal growth and development, and DegreePlus is tailor-made to provide you with a diverse and exciting range of opportunities to help you broaden your academic and non-academic horizons. The areas covered by DegreePlus include Voluntary Work, Entrepreneurship, Sport, Culture and Heritage, Languages, Music, Creative and Performing Arts and many more. There really is something for everyone! All DegreePlus units have been designed in awareness of student needs and aspirations, and the DegreePlus team is confident that you will find something there to meet your interests and expectations. For further information please visit www.um.edu.mt/degreeplus or pop into our office in Students' House.

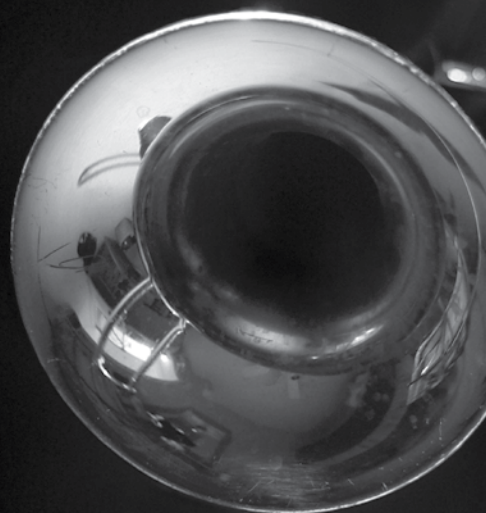

The University of Malta Wind Ensemble

The University Wind Ensemble, led by Dr Philip Ciantar, is performing in the opening ceremony. It is one of the initiatives of DegreePlus and was set up with the objective of providing a high quality performing experience to wind players. It aims at producing exciting and dynamic concert programmes and events for a wide range of audiences. The Ensemble meets every week for rehearsals and instrumental coaching sessions. Through the Ensemble, students from all University faculties and institutes are given the opportunity to meet in an informal manner and experience an array of musical genres and styles, ranging from arrangements of well-known orchestral pieces to jazz and contemporary music. In addition, students are encouraged to play solo pieces with the Ensemble and to produce their own musical compositions and arrangements.

So try something different this year. Be creative: don't hesitate, and enrol with the University Ensemble, or any other DegreePlus unit!

If you are interested in engaging in one of these initiatives, just send us an email on **degreeplus@um.edu.mt** and we shall be happy to help.

University of Malta Junior College
