

**The dissertations will be assessed according to the following rules:**

Student: \_\_\_\_\_

Marks will be awarded in 6 categories as listed below with respective percentage mark allocated:

Categories	Percentage	Mark
Proper Formulation of Idea/Problem	(10%)	
Structure of Thesis	(10%)	
Style of Thesis: flow, content coherence and conciseness	(10%)	
Theoretical Rigorousness	(30%)	
Elegance in Tackling of Problem, Quality & Presentation of Result/s (*)	(30%)	
Material not covered in undergraduate syllabus	(10%)	

The final mark may be calibrated according to the performance of the student in both presentation and viva - serious typos may also lead to a reduction in the final mark.

(\*)By "results", one would assume that these not necessarily be practical but also theoretical, hence not excluding a purely theoretical thesis
