Students may request to add or drop a maximum of two study-units (i.e. 2 study-units may be added and 2 study-units may be dropped).

Request forms should be submitted to the students’ home faculty by not later than 19th October 2017 at 5.00 pm. No requests to add or drop units after this date will normally be accepted.

Should students need to make changes to their registration after the add/drop period, they are required to submit a request to the Registrar, through their HOME Faculty Office.

Approval will only be given in exceptional circumstances and a nominal fee of €11.65 for each change will be payable in the event that the request is approved. The maximum of two study-units to be added and dropped will still apply. Requests citing errors in filling add/drop forms will NOT be accepted as valid reasons.
