Foundation Studies Course
Requested Qualifications For Turkish Applicants

Turkish applicants who apply to join the Foundation Studies Course are required to provide the two documents indicated hereunder.

1. The High School Diploma (with official transcript) from one of the following institutions: State High School, State Vocational or Trade High School, State Technical four-year High School or Private High School;

2. The Student Selection Examination (ÖSS) Results.

The originals of the two above certificates have to be presented once the applicants come to Malta. Copies of the originals are, however, accepted during the application process.

A certified English translation of all the pages including the grades / marks of the two documents must also be included.

Failure to produce any of the two certificates requested as well as a translation of same, will result in the application not being processed.

All applicants must also:

i. Obtain a recognized English Language certificate at the following level:
   a) TOEFL 500 (173 Computer-Based or 61 Internet-based)
   b) IELTS 5.5,
   c) Cambridge First Certificate Grade C or Better.

ii. Present all the original certificates for verification on arrival in Malta.
