The University of Malta (UoM) recognises the importance of Student Exchange Programmes.

Students are invited to participate in the exchange programmes to take place between July 2015 and June 2016. Applications will only be received from students who will be following a full-time undergraduate degree programme (Level 6) and who will not be less than 18 years of age during the exchange period.

Information on these exchange programmes and the application forms can be retrieved from http://www.um.edu.mt/int-eu/intexchanges. Students accepted to participate in these exchange programmes are exempted from paying tuition fees to the host institution and are awarded grants in cash or in kind depending on the type of bilateral agreements signed with the Universities.

The deadline for the submission of the applications is at noon of Wednesday 3rd December 2014. Late applications will not be accepted.

As a general rule students who will be in their final year during the academic year 2014/5 cannot be nominated for an exchange programme.

An information meeting on the exchange programmes will be held as follows:

**Wednesday, 12th November between 9.00 a.m.-11.00 a.m. in the KSU Common Room, University of Malta, Msida.**

Local students who participated in these programmes and international students from these countries will be present at this information meeting to share their experiences.

Students who are not able to attend the meeting or who require further information may contact:
