Selection Criteria for PGCE subject areas

For PGCE students only, the following rank order of qualifications will be used:

- holders of PhD
- holders of a bachelors + a masters degree in the subject area
- holders of a first degree Honours/first class
- holders of a first degree Honours/second class upper
- holders of a first degree Honours/second class lower
- holders of a first degree Honours/third class
- holders of a first degree General/first class
- holders of a first degree General/second class upper
- holders of a first degree General/second class lower

If, following the rank order as indicated above, there are teaching places available or a tie, the global mark shown on the transcript would be considered.

If there is a tie even with the overall mark obtained, interviews will be resorted to.
