Assoċjazzjoni Maltija għall-Istudji
tad-Dritt Ewropew

Bringing together all those in Malta with an interest in
European Union Law

The **Assoċjazzjoni Maltija għall-Istudji tad-Dritt Ewropew (AMSDE)** was established in March 2010 with the aim of promoting the study and practice of European law in Malta. It is a non-profit and non-political association. As an affiliated member of FIDE (Fédération Internationale pour le Droit Européen/International Federation for European Law), AMSDE is part of an international network of European Law Associations and represents Maltese lawyers in the biennial FIDE Congress.

The objectives of AMSDE are:

- (i) To promote and encourage the study of all aspects of the law and institutions of the European Union and the relationship of that law with national law and the dissemination of knowledge concerning the same;
- (ii) To promote international collaborative studies in the field of European law;
- (iii) To provide a forum in which all branches of the Maltese legal profession can engage in a discussion of the legal issues raised by Malta's membership of the European Union;
- (iv) In pursuit of the above, to work in collaboration with, and as a complement to other organisations, bodies and associations having similar aims.

AMSDE aims to bring together a variety of interests and to address practitioners, officials, academics and students alike through the holding of meetings, conferences, seminars, study groups, the carrying out of research and the publication of papers on EU law issues.

Membership is invited from:

- members of the Maltese Judiciary;
- members of the Maltese legal professions and holders of any degree in law obtained from the University of Malta or holders of any degree in law obtained from outside Malta resident in Malta;
- such other persons, bodies or institutions as on the recommendation of the Committee of Management of the Association the members in General Meeting may consider to be in the interests of the Association to admit to membership of the Association.

Membership benefits include:

- Advance notice of all AMSDE events;
- Free attendance to one yearly event as specified by AMSDE;
- Reduced rates for all other events organised by AMSDE;
- Opportunities for contribution at AMSDE events and the biennial FIDE Congress;
- Invitation to the Annual General Meeting.
