<http://www.um.edu.mt/go/activate>

Rules for web pages on University Servers

Publishing of material, which is pornographic, breaches copyright, and any other material, which can bring the University into disrepute, is prohibited.

The web pages may not be used for profit-making purposes or for publishing third party material.

Any material, which is published on the web pages, must not give the impression that it is published with the official sanction of the University.

All other IT Services Rules.

If there are any problems on what can and cannot be published please email helpdesk.itservices@um.edu.mt

UM IT Account Agreement

I, the undersigned, have read the IT Services Rules at www.um.edu.mt/itservices/policies/rules and agree to subject myself to them.
