

## **Malta Human Rights Education Centre**

This opportunity aims to attract undergraduate students who are interested in working within the voluntary and social responsibility sector. Participants will be contributing to legal research and assisting in the publishing of legal articles on the MHREC website.

## **Malta Health Network**

The MHN promotes the health related interests of patients and the wider community.

Students can carry out voluntary work related to the health sector through the Malta Health Network Foundation.

## **Flimkien ghal Ambjent Ahjar**

FAA is a non-profit organisation committed to preserving Malta's rural and architectural heritage.

Students can help out in various ways. Duties include uploading of website articles (requiring basic IT skills), book-keeping, heritage research, development planning issues, translations, online media monitoring, editing English texts, health and safety concerns, speaking to groups and schools, artwork and design, and photography. Flexibility is offered and the date, time and venue can be discussed with the organisation.

## **MSPCA**

MSPCA is an animal welfare organisation which aims to protect and care for animals.

Students can help out at their charity shops based in Sliema and San Gwann. Work includes tending and manning the cash register, sorting of items and donations amongst other duties.

## **AWAS**

AWAS seeks to implement national legislation and policies regarding the welfare of refugees and asylum seekers.

Students can help out by giving basic English lessons, Art sessions, organise craft sessions as well as sports and outdoor activities for children. Students who can offer other types of sessions can also volunteer.

## **Equal Partners Foundation**

Equal Partners Foundation is a non-profit foundation supporting children and adults with disability and learning difficulties.

Interested students can help out in their community projects, shadowing some of their programmes, as well as, carry out administrative tasks such as writing of documents, posts and blogs for their website.

## **VolServ**

Volserv aims at developing and organising voluntary health services to support patients and relatives at the main general hospital.

Interested students can volunteer at Mater Dei through the VolServ programme. They offer various roles in the Outpatient Department: such as assisting staff, patients and their families. Students can also help with the running of the trolley service offering tea and coffee.

## **Dar Hosea**

Dar Hosea aims to reach out to vulnerable women.

The work with this organisation would involve fund-raising activities and helping out at a bazaar in the Birkirkara area. Students can help out any day of the week.

## **Malta Food Bank Foundation**

MFBF provide non-perishable food packs to those in need.

Students can volunteer by helping out with the running of the MFBF facebook page as well as helping out with donations and any other activities carried out by MFBF.

## **JRS**

JRS aims to accompany, serve and advocate on behalf of refugees. Students can volunteer at JRS by helping out in their 'Mobility Project' and 'Employment Project'.

## **Agenzija Sapport**

Agenzija Sapport facilitates voluntary work experiences with persons with disability.

Students can help out with the Sharing Lives service, by offering their time to support persons with disability within the community.

## **Mission4Changes**

Mission4Changes is a voluntary organisation which helps to support various missions around the world, through various community projects.
