The Rector may, at his discretion, refer the matter to the Committee, on the advice of which he may impose such disciplinary measures as may be deemed fit.

## **Proceedings**

6. (1) A complaint regarding Misconduct by a Student shall normally be made to the Dean of the Student's Home Faculty. The Dean shall consider the complaint within three (3) working days and shall decide whether it is of a minor or serious nature.

(2) Where the Dean considers the Misconduct to be of a minor nature, the Dean shall inform the Student in writing (within five (5) days from receipt of complaint) of the report of alleged Misconduct. On receipt of such communication in writing, the student shall be given the opportunity to make a written statement which should reach the Dean within five (5) days. After considering the report of Misconduct and the student's statement, the Dean shall summon the Student and give the Student a copy of his final decision in writing, provided that, for the purpose of this regulation, "Misconduct of a minor nature" shall mean such type of Misconduct that is more akin to misbehaviour, or which contains an element of carelessness or minor negligence, rather than an intentional act.

(3) Penalties that may be applied by the Dean in incidents of Misconduct of a minor nature shall include one or more of the following:

- (a) written reprimand;
- (b) written warning;

(c) suspension not exceeding 7 days, provided that, in such case, notwithstanding that provided in the Glossary of Terms within these regulations, the Student may remain registered on any given study-units for which he had registered prior to the period of Suspension.

(4) The complaint, report and final decision regarding any incident of minor Misconduct shall be recorded in the Student's file.

(5) On conclusion of the proceedings relating to incidents of minor Misconduct, the Dean shall submit a report in writing to the Rector within three (3) days of such communication to the Student.

7. (1) Where the Dean decides that the Misconduct is of a serious nature, a written report shall be made to the Rector within a maximum of ten (10) working days from the date in which the Dean gains cognisance of such Misconduct. In such event, the Dean may, if he so deems fit, suspend the Student in the manner provided in regulation 6(3)(c), pending further consideration of the matter by the Rector.

(2) The Dean shall inform the Student in writing of the Suspension referred to in paragraph (1) of this regulation and the reason for it, namely that a complaint alleging Misconduct of a serious nature has been received and that it has been referred to the Rector.

(3) The Rector shall request the Committee to investigate the complaint and draw up a charge in terms of these regulations.

8. The Committee shall, within fifteen (15) working days from the day the complaint is referred to it, inform the Student of the charge by means of a letter to the address as provided by the Student to the University, by e-mail to the Student's University e-mail account, and by phone, together with a copy of these regulations, as well as the date, time, and venue when the Student is to appear before the Committee to answer to the charge.

9. (1) The Student may, within five (5) working days from the date of communication of the said charge (by letter, e-mail or telephone call), send a written statement admitting or contesting the charge. If the Student admits the charge, the Student may opt not to attend the meeting with the Committee. If the charge is contested, the Student shall attend the meeting and may identify witnesses to be heard by the Committee.

(2) The Student may be accompanied at the proceedings by a Student or a friend or a member of his family, in which case the Committee shall be so notified at least two (2) working days in advance of the hearing. If no such notification is received by the Committee, the Committee has the right to refuse that person entry to the meeting.

10. On the date of the meeting, or on such other adjourned dates as necessary, the Committee shall hear the complainant who originally lodged the complaint with the Dean, any witnesses indicated by the complainant, such other persons as may be called by the Committee, the Student against whom the allegation of Misconduct is made and such other persons

accompanying the Student. The Committee shall also take cognisance of such documents as may be referred to it until such time as proceedings are concluded.

11. The Committee shall, as soon as possible, but in any case not later than fifteen (15) working days from the date of the last meeting, report its findings to the Rector.

12. The Rector shall notify the Student of the outcome of the proceedings as soon as possible, but in any case not later than seven (7) working days from the date in which the report is received by the Rector, provided that where the Rector refers the report of the Committee to Senate in the manner provided in regulation 16, the time period specified in this sub-regulation shall be taken to mean seven (7) working days from the date in which Senate communicates its decision to the Rector.

### **Disciplinary Measures**

13. (1) The disciplinary measures which may be recommended by the Committee to the Rector shall include one or more of the following:

- (a) a written reprimand;
- (b) a written warning;
- (c) the imposition of a fine not exceeding €1000;
- (d) the imposition of an order requiring the Student to pay compensation, representing any such sum of money equivalent to the costs for the repair or replacement of any goods or property damaged by the Student in terms of these regulations;
- (e) a Ban;
- (f) the imposition of a period of work to be undertaken with any organisation having a charitable or philanthropic purpose;
- (g) Suspension for a given period as indicated by the Rector;
- (h) Expulsion from the University.

(2) The complaint, report and final decision regarding the Misconduct shall be recorded in the Student's file.

(3) Should the Student breach any Ban imposed upon him in terms of regulation 13(1)(e) or as part of a Suspension in terms of regulation 13(1)(g), the Student shall once again be subject to disciplinary proceedings under these regulations in relation to such breach.

(4) Where a fine is imposed upon a Student, or an order is made requiring a Student to pay compensation under this regulation, the Student shall be required to pay the fine or

compensation within thirty (30) running days from the day in which such fine or order is communicated to him.

(5) Where a fine or compensation is not paid within the time period provided for in paragraph (4) of this regulation, or where a period of work has been imposed upon the Student in terms of regulation 13(1)(f) and the Student fails to fulfil such period of work, the Rector may suspend the Student for such period as he deems fit, as long as such period shall be commensurate to the amount of the fine or of the compensation to be paid by the Student or to the nature and length of the period of work which the Student was duty-bound to undertake, whichever may be applicable.

(6) Any fine or compensation imposed in terms of these regulations shall be paid at the Maltapost branch at the University.

### **Powers of the Committee in Urgent Cases**

14. The Committee may, in cases which the Rector deems urgent, abridge or dispense with any times or formality established in these regulations, provided that it shall ensure that the Student charged is given a fair hearing notwithstanding such abridgements or dispensations.

### **Reconsideration by the Committee**

15. (1) The Committee may, in special circumstances, reconsider its decision regarding a given Student.

(2) For the purpose of this regulation, “special circumstances” means solely such circumstances in which new evidence becomes available in relation to proceedings regarding a given Student, which evidence was not available, or could not in any manner have been made available, to the Committee during the original proceedings.

### **Reference to Senate**

16. Where the report of the Committee recommends to the Rector the Expulsion of a Student from the University, he shall, prior to the taking of such action, refer the report to Senate for its final decision thereon.
