

SUBJECT: **Art**
PAPER NUMBER: Thematic Project (50 marks)

Directions to Candidates

By Monday 12th August 2019, candidates must hand in their Portfolio, Personal Study and Visual Journal at the MATSEC Support Unit, University of Malta, Msida, or the Examinations Department, Victoria, Gozo.

In the case of candidates who will not be sitting for the examination for the first time:

- The coursework mark obtained previously – up to a maximum of five years from the candidate's first sit of the examination – may be carried forward to the 2019 Second Session upon request. The coursework mark that can be carried forward does not include that of the Thematic Project. Such a request may be made by sending an e-mail to matsec@um.edu.mt.
- Candidates who sat for the examination during the 2019 First Session have their coursework mark automatically carried forward to the 2019 Second Session unless a request stating otherwise is received from the candidate. The coursework mark that can be carried forward does not include that of the Thematic Project.
- New inserts (the total of which should not exceed the number stipulated in the syllabus) may be added to the coursework submitted during the 2019 First Session by Monday 12th August 2019.
- A new coursework altogether may be submitted by Monday 12th August 2019.

All new inserts should be marked clearly with the words '2019 Second Session' and should be submitted to the MATSEC Support Unit, University of Malta, Msida, or the Examinations Department, Victoria, Gozo, by Monday 12th August 2019 as instructed in the timetable online.

Candidates are to take their Thematic Project Work with them when sitting for Paper 1 Extended Thematic Project to be used for reference purposes only. **The folder with the Thematic Project Work must be handed in at the end of the Advanced Art Paper 1 (Extended Thematic Project) examination session.**

The candidate's name, signature, photograph/s, self-portrait/s or any material that might disclose their identity **must not** feature in any part of what is submitted for assessment (including on the folder itself).

Each part of the folder must be separated from the other sections and must be clearly distinguished by being marked accordingly, that is:

- PORTFOLIO
- PERSONAL STUDY
- VISUAL JOURNAL
- THEMATIC PROJECT WORK

The number and title of the starting point chosen for the Thematic Project Work are to be clearly written.

All submitted sheets are to be duly numbered and a 'List of Contents' indicating all the works must be included in the folder.

Work in progress can be discussed with the tutor/s but it has to be developed in a personal way. **The work should be entirely the candidate's.**

The candidates may submit work in any medium. However, media such as hypodermic needles, syringes, broken glass, barbed wire, raw plaster, unfired clay, fresh organic matter, razor blades and any media that might constitute a potential hazard are **not** permissible and must **not** be included.

Heavy or decorative mounting, boards thicker than 3 mm, frames and canvas stretchers must **not** be included in the folder, while excessive mounting is **not** recommended.

Folders not adhering strictly to the rules and regulations indicated in the syllabus will **not** be accepted or assessed. The syllabus can be accessed through the following link: <http://www.um.edu.mt/matsec/syllabi>

The Coursework shall remain the property of the MATSEC Examinations Board, but may be returned to the candidates at the discretion of the Board. Should the Coursework, including the Thematic Project Work, be returned to the candidates, it is **only** done so on the date/s stipulated by the MATSEC Support Unit (during the week starting Monday 28th October 2019 between 8.00 a.m. and 12.00 noon, and 2.00 p.m and 4.00 p.m.). It is therefore suggested that prior to submitting their work at the MATSEC Support Unit or the Examinations Department, Victoria, Gozo, candidates keep digital records of their work, particularly if they wish to exhibit their work to other institutions.

Thematic Project Work

Candidates are required to choose **ONE** starting point from the following list:

1. **Nostalgia:** a sentimental desire for the past. Create work inspired by memories of bygone days.
2. **Panic:** a personal experience caused by fright and leading to hasty measures. Renato Guttuso's (1912-1987) 'Flight From Etna' can be an inspiration.
3. **Carpets:** The carpet can be that of Aladdin; it can also be a page from a manuscript or even one made of multi-coloured flowers. Produce a composition which is both decorative and chromatically intense.
4. **Maltese folklore music:** inspired by the music of Charles Camilleri create a work which transmits Maltese traditional folk music and its modern interpretation.
5. **Fishermen:** produce a work which captures the frenetic activity of fishermen catching and loading fish in their boats.
6. **The feast of Bacchus:** In the month of September we assist to the harvesting of grapes which gives way to the production of wine. From then on it is the feast of Bacchus. Caravaggio (1571-1610) and Velazquez (1599-1660) can give you a hand.
7. **Ferro battuto:** the art of producing works in wrought iron can go back to the mythological god Vulcan. Create an abstract work inspired by the work of blacksmiths at the forge and the anvil.
8. **The Ant and the grasshopper** is one of Aesop's most famous fables. Time is precious and it is foolish to leave for tomorrow what you can achieve today. Create a work to illustrate your personal reaction to this fable.

Emphasis should be placed on investigative research and the development and realisation of ideas.

The Thematic Project Work must include **ONE** final piece as well as other preparatory studies. The work presented must show the candidates' focused investigation, development, critical analysis, and realisation of the selected theme. The preparatory work may also suggest other valid directions of investigation of the theme selected other than that leading to the final piece.

Candidates are required to communicate their understanding and thinking process through integrated images and brief annotations.

All two-dimensional work pertaining to the Thematic Project Work (final piece, research, preparatory studies, etc.) must be presented on **FIVE A2 sheets** (420 mm x 594 mm). The works and relevant annotations can be carried out directly or pasted onto the presentation sheets. Photographs which document large works, three-dimensional works, installations and other works can also be included. The candidates may use their discretion as to whether to use one or both sides of each of the said sheets. The sheets should be clearly marked and numbered accordingly.
