

This guide assists University of Malta & Junior College users to set up eduroam on their laptop running Mac OS X 10.8 and above to connect to the wireless network at UM/JC and at other institutions participating in the eduroam initiative. More information about eduroam is available at:

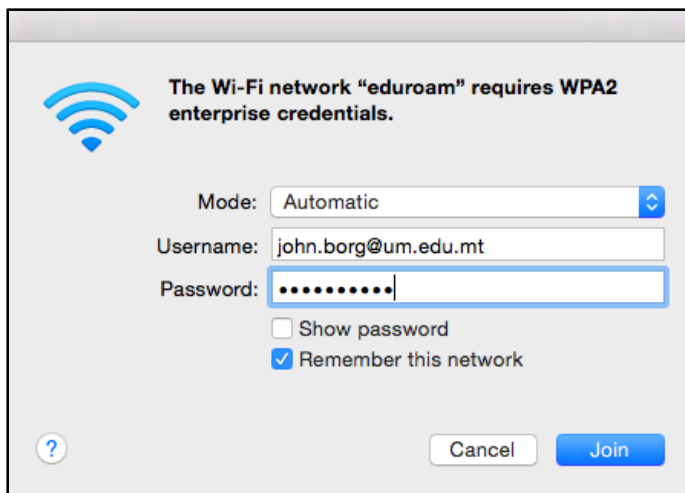

www.um.edu.mt/itservices/facilities/eduroam

To set up eduroam:

1. When you are within an eduroam network range, click on **eduroam** from the list of wireless networks.

2. When prompted, enter your details as follows:
Username: University or Junior College email address
e.g. john.borg@um.edu.mt, jbor0001@jc.um.edu.mt
Password: Your corresponding University or Junior College email password.

3. Click **Join**. Your Mac OS is now configured to connect to eduroam. Click on **eduroam** from the list of wireless networks if you are not connected automatically.
