Candidates are to take their Thematic Project Work with them when sitting for Paper 1 Extended Thematic Project to be used for reference purposes only. **The folder with the Thematic Project Work must be handed in at the end of the Advanced Art Paper 1 (Extended Thematic Project) examination session.**

The candidate's name, signature, photograph/s, self-portrait/s or any material that might disclose their identity **must not** feature in any part of what is submitted for assessment (including on the folder itself).

Each part of the folder must be separated from the other sections and must be clearly distinguished by being marked accordingly, that is:

- THEMATIC PROJECT WORK

***Directions continue on the next page***

The **number** and **title** of the starting point chosen for the Thematic Project Work are to be clearly written.

All submitted sheets are to be duly numbered and a 'List of Contents' indicating all the works must be included in the folder.

Work in progress can be discussed with the tutor/s but it has to be developed in a personal way. **The work should be entirely the candidate's.**

The candidates may submit work in any medium. However, media such as hypodermic needles, syringes, broken glass, barbed wire, raw plaster, unfired clay, fresh organic matter, razor blades and any media that might constitute a potential hazard are **not** permissible and must not be included.

Heavy or decorative mounting, boards thicker than 3 mm, frames and canvas stretchers must **not** be included in the folder, while excessive mounting is **not** recommended.

Folders not adhering strictly to the rules and regulations indicated in the syllabus will **not** be accepted or assessed. The syllabus can be accessed through the following link: <http://www.um.edu.mt/matsec/syllabi>

The Coursework shall remain the property of the MATSEC Examinations Board, but may be returned to the candidates at the discretion of the Board. Should the Coursework, including the Thematic Project Work, be returned to the candidates, it is **only** done so on the date/s stipulated by the MATSEC Support Unit (during the week starting Monday 29<sup>th</sup> October 2018 between 8.00 a.m. and 12.00 noon, and 2.00 p.m. and 4.00 p.m.). It is therefore suggested that prior to submitting their work at the MATSEC Support Unit or the Examinations Department, Victoria, Gozo, candidates keep digital records of their work, particularly if they wish to exhibit their work to other institutions.

### **Thematic Project Work**

Candidates are required to choose **ONE** starting point from the following list:

1. **Beams** can refer to long pieces of wood, metal or concrete used to support weight in a structure. Produce a composition in response to your interpretation.
2. **Walking on a tight rope.** The acrobat has to be fully focused when walking on a tight rope. This can also apply to certain life situations. Create work that shows your reaction to this expression.
3. **Clockwork.** Interlocking wheels, cogs, gears, springs, working in precision to measure time....events that work without complications. Create work in response to your study and analysis of this theme.
4. **Charon: the Ferryman of Hades.** Both Michelangelo (1475-1564) and Gustave Doré (1832-1883) made use of the figure of Charon in their works. Produce a work that shows a contemporary interpretation of this Greek mythological figure.
5. **Save the trees.** The destruction of a single tree is never justified. Trees embellish the environment, help to purify the air we breathe, and form an essential part of the ecosystem. Produce work to promote public awareness and sensibility towards the safeguarding of the natural heritage.
6. **Abat-jour.** Create a semi-abstract composition based on the geometric shapes and fancy colours of abat-jours.

7. **Change.** "No man ever steps in the same river twice for it is not the same river and he is not the same man." Heraclitus (c.535 – c.475 BC). Give your impression of change.
8. **"Water, water, every where,  
Nor any drop to drink."**

Create work to illustrate your personal reaction to thirst inspired by this line from the poem 'The Rime of the Ancient Mariner' by Samuel Taylor Coleridge (1772-1834).

Emphasis should be placed on investigative research and the development and realisation of ideas.

The Thematic Project Work must include **ONE** final piece as well as other preparatory studies. The work presented must show the candidates' focused investigation, development, critical analysis, and realisation of the selected theme. The preparatory work may also suggest other valid directions of investigation of the theme selected other than that leading to the final piece.

Candidates are required to communicate their understanding and thinking process through integrated images and brief annotations.

All two-dimensional work pertaining to the Thematic Project Work (final piece, research, preparatory studies, etc.) must be presented on **FIVE** A2 sheets (420 mm x 594 mm). The works and relevant annotations can be carried out directly or pasted onto the presentation sheets. Photographs which document large works, three dimensional works, installations and other works can also be included. The candidates may use their discretion as to whether to use one or both sides of each of the said sheets. The sheets should be clearly marked and numbered accordingly.
