(hereinafter called the Publisher).

The Publisher accepts the following conditions:

- (i) The sum that must be paid for concession of the use of each MATSEC Board paper within any type of publication – reproduced or transmitted in any form or by any means, electronic or mechanical, recording or duplication in any information storage and retrieval system, photocopied or otherwise reproduced – is as per attached schedule of fees.:
- (ii) By the term ‘use’ in Clause (i), it is understood that:
  - (a) the text of the question is actually reproduced or transmitted in the publication; and/or
  - (b) answers or comments on questions, even without the actual reproduction or transmission of the question/s, are given.
- (iii) The concession for the publication of MATSEC Board questions is for a period of two (2) years from the date of first publication. Thereinafter, the Publisher must reapply for concession of use.
- (iv) The text of the questions, as set by MATSEC, has to be reproduced faithfully. The MATSEC Board reserves the right to order remedial action at the expense of the Publisher; this may entail issuing an *errata corrige* and/or other steps as necessary.

- (v) The publication containing the questions from MATSEC Board papers and/or workings and comments thereof, should feature prominently, on the page preceding the Contents page, a Disclaimer reading as follows:

*The Matriculation and Secondary Education Certificate Examinations Board shall not be held responsible for any mistakes in the questions as printed or the answers, workings or comments as contained in this publication.*

- (vi) The Publisher must supply MATSEC with five (5) complimentary copies of the publication wherein the questions or part/s thereof are used. Said copies should reach MATSEC within fifteen (15) days following the date of initial publication.

- (vii) The paper/s to be used for publication are:

	<b>Subject</b>	<b>Level</b>	<b>Session</b>	<b>No. of papers</b>	<b>Cost</b>
