FACULTY OF LAWS

Re: Absence from Lectures

Kindly note that in terms of University of Malta regulations, attendance at lectures is obligatory. Approval for absence from lectures, tutorials, etc., is to be sought directly from the respective lecturer by email, attaching any documentation if applicable (e.g. medical certificates). This email approval is to be kept at the student's end until successful completion of the study-unit.

May we remind you that in terms of regulations, a lecturer may bar a student from being assessed due to unsatisfactory attendance.
