Viewing the Participants List of a VLE Area

To view the students and tutors enrolled in a VLE area:

1. In the navigation drawer (left side of the screen), click **Participants**. This will display the people in the VLE area (shown below).

   If the participants enrolled to the VLE area amount to more than 20, they will be listed in sets of 20 participants per page.

2. In the filter text field:
   - Type **Student** or choose **Role: Student** from the drop-down menu to view a list of students.
   - Type **Tutor** or choose **Role: Tutor** from the drop-down menu to view a list of tutor/s.
   - Remove any applied filters to view all participants.

3. Return to the VLE area homepage by clicking the study-unit code at the breadcrumb path.
