

This guide assists University of Malta & Junior College users to set up eduroam on their laptop running MS Windows Vista to connect to the wireless network at UM/JC and at other institutions participating in the eduroam initiative.

More information about eduroam is available at:

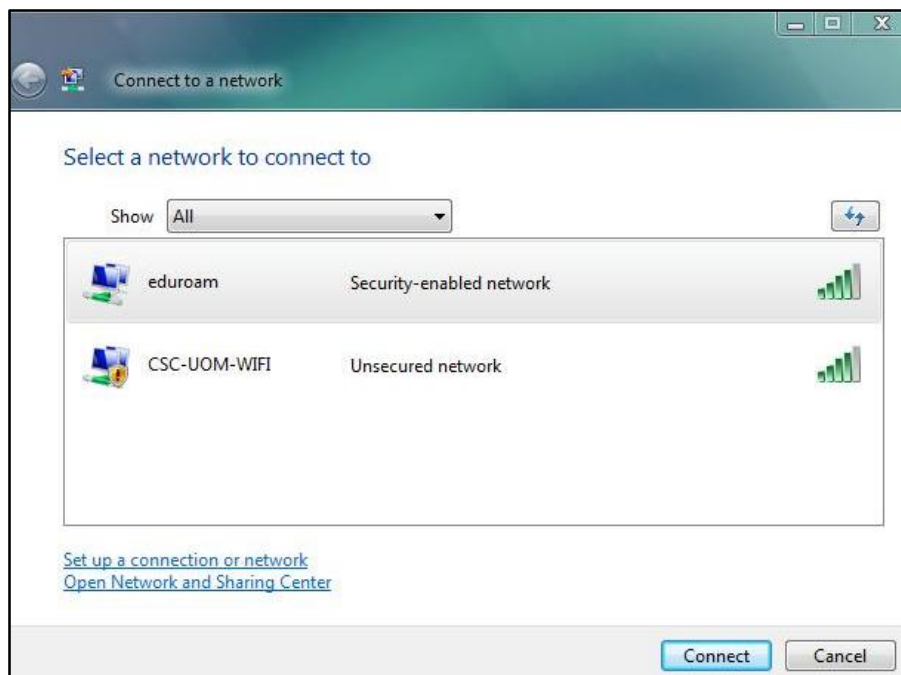

www.um.edu.mt/itservices/facilities/eduroam

To set up eduroam:

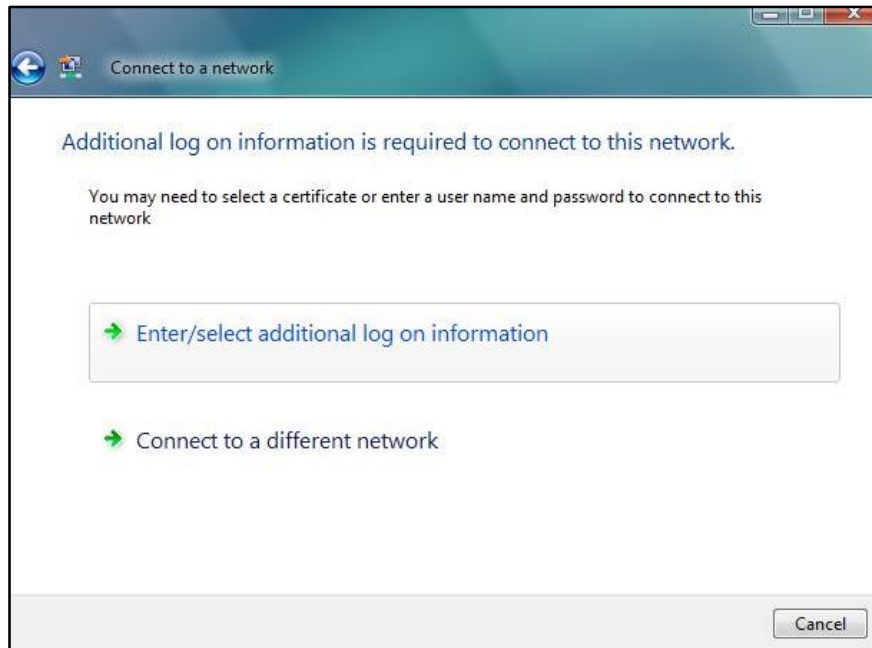

1. When you are within an eduroam network range, click the network icon in the system tray  and then click **Connect to a network**.

2. Click on **eduroam** from the list of wireless networks and then click **Connect**.

3. Click **Enter/select additional log on information**.

4. When prompted, enter your details as follows:

User name: University or Junior College email address

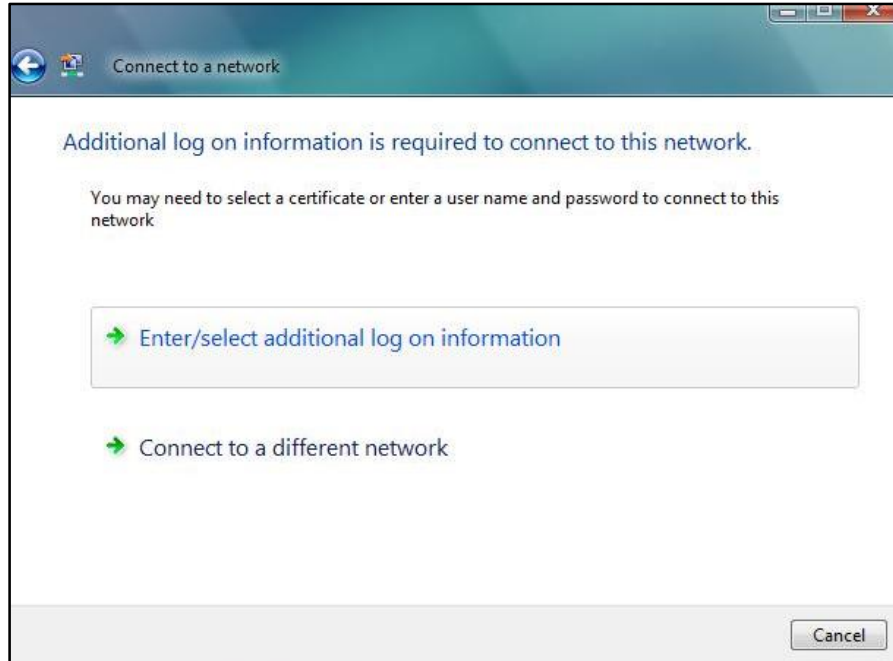

e.g. john.borg@um.edu.mt, jbor0001@jc.um.edu.mt

Password: Your corresponding University or Junior College email password

5. Click **OK**.

6. Click **Enter/select additional log on information**.

7. When prompted with the Validate Server Certificate dialog box, click **OK**.

8. A display prompt will appear to indicate that you have **Successfully connected to eduroam**.

If you are not connected automatically, click the network icon in the system tray  and then click on **eduroam**.
