Bye-Laws of 2018 in terms of the General Regulations for University Postgraduate Awards, 2008 for the Degree of Master of Science in Natural Environment and Resources Management - M.Sc. - under the auspices of the Institute of Earth Systems

INSTEAD OF:

Bye-Laws of 2018 in terms of the General Regulations for University Postgraduate Awards, 2008 for the Degree of Master of Science in Earth Systems - M.Sc. - under the auspices of the Institute of Earth Systems

IN EXERCISE of the powers conferred upon him by articles 74 (5) and 75 (6) of the Education Act (Cap. 327), the Chancellor of the University of Malta has promulgated the following bye-laws made by the Board of the Institute of Earth Systems in virtue of the powers conferred upon it by article 8 (b) (v) of the Statute for the Institute which bye-laws have been approved by the Senate of the University of Malta:

Citation and Interpretation

1. (1) These bye-laws may be cited as the Bye-Laws of 2018 in terms of the General Regulations for University Postgraduate Awards, 2008 for the degree of Master of Science in Natural Environment and Resources Management - M.Sc. - under the auspices of the Institute of Earth Systems.

(2) In these bye-laws, unless the context otherwise requires -

"the Board" means the Board of the Institute of Earth Systems;

"the Board of Studies" means the Board of Studies responsible for the academic administration and organisation of the Course, appointed by Senate;

"the Course" means the programme of study leading to the degree of Master of Science in Natural Environment and Resources Management - M.Sc.;

"the Degree" means the degree of Master of Science in Natural Environment and Resources Management - M.Sc.;

"the Institute" means the Institute of Earth Systems; and

"the Postgraduate Diploma" means the Postgraduate Diploma in Natural Environment and Resources Management - P.G. Dip.; and

"the Principal Regulations" means the General Regulations for University Postgraduate Awards, 2008.

Applicability

2. These bye-laws shall be applicable for courses commencing in October 2017 or later.

Areas of Study

3. The Course shall be offered in any area of study that falls within the academic responsibility of the Board, after approval by Senate.

Requirements for Admission

4. (1) To be registered as regular students in the Course, applicants shall be in possession of:

(i) a first cycle degree in Science with Earth Systems as a main area of study obtained with Second Class Honours or better; or

(ii) a first cycle degree in Science obtained with Second Class Honours or better in an area that is deemed relevant by the Board.

(2) Applicants with a first cycle degree in Science with Earth Systems as a main area of study obtained with Third Class Honours may be admitted if they show evidence of significant experience in work relevant to the area of study of the Course, obtained after their first cycle degree. The admission of applicants under this bye-law may be made conditional on the results of an interview.

5. The Board shall recommend to Senate the number of applicants that may be allowed to register for the Course, depending on the availability of resources. The number of available places shall be announced at the time of the call for applications.

6. When the number of places is so limited and the number of eligible applicants exceeds the number of places available, applicants shall be selected according to the following criteria, the weighting of which shall be published at the time of the call for applications:

- (a) degree type and class;
- (b) experience in the area of the proposed study; and
- (c) performance during the interview.

7. Interviews, when necessary, shall be conducted by an interviewing board appointed by the Board, and shall be composed of at least three members.

8. Applications for the Course shall be submitted by the deadline announced by the University of Malta. For the purpose of selection, applicants who fully satisfy the entry requirements by 31st August preceding the commencement of the Course shall be considered first.

Course Duration

9. The Course shall extend over three semesters of full-time study, which shall include a summer period, or the equivalent in part-time study.

Programme of Study

10. The programme of study shall comprise study-units to which a total of 90 ECTS credits are assigned, of which 60 ECTS credits are assigned to taught study-units and 30 ECTS credits are assigned to the dissertation study-unit.

11. Students who obtain the 60 ECTS credits assigned to the taught study-units with an average mark of at least 50% and do not proceed with the Course, or having proceeded do not successfully complete the dissertation, shall be eligible for the award of the Postgraduate Diploma.

12. The programme of study shall be published after approval by Senate, normally not less than eight months prior to the commencement of the Course.

Assessment and Progress

13. (1) The assessment of each taught study-unit shall be completed by the end of the semester in which the teaching of the study-unit is held.

(2) Students who in any academic year fail in the assessment of not more than 20 ECTS credits, if following the full-time Course, or not more than 10 ECTS credits if following the part-time Course, shall be given the opportunity to

resit the failed assessments during the September supplementary examination session.

(3) Students who fail more than the number of credits permitted under paragraph (2) of this bye-law, or students who after re-assessment fail to obtain credit for any study-unit, shall be considered to have failed the Course.

14. Students shall be allowed to proceed to the dissertation study-unit subject to obtaining the 60 ECTS credits assigned to the taught study-units with a minimum average mark of 60%.

Dissertation

15. (1) Students shall be required to submit an individual dissertation of approximately 20,000 words, in accordance with the guidelines issued by the Board of Studies.

(2) Work on the dissertation shall be undertaken during the third semester of the Course. Each student shall be assigned a supervisor who shall provide guidance and advice on a regular basis during the period of study.

(3) The dissertation title and a detailed research proposal shall be submitted to the Board for approval by the deadlines indicated by the Board.

16. (1) Students shall be required to have regular contact with their supervisor, not less than once a month.

(2) Supervisors shall submit to the Board progress reports for each student under their supervision at the end of each semester of studies. Such reports may include a recommendation to either (a) extend the period of study in order to enable the student to complete the dissertation; or (b) terminate studies prematurely if the supervisor deems this to be proper in the circumstances, provided that:

(i) the extension of the study period referred to in (a) shall be in accordance with the provisions of the Principal Regulations; and

(ii) the Board may not terminate studies prematurely according to (b) until it has first given the student a chance to be heard.

Classification of the Awards

17. The Final Weighted Average Mark for the purpose of the classification of the Postgraduate Diploma and of the Degree shall be based on the results obtained in all the components of the programme of study, all credits being weighted equally.

Special Provisions for Part-Time Courses

18. The provisions of the foregoing bye-laws shall apply *mutatis mutandis* to courses followed on a part-time basis, and subject to such changes as may reasonably be deemed by the Board of Studies as necessary due to the part-time nature of the Course.
