

M.Sc in Artificial Intelligence
(Taught and Research, Mainly Research) – Part – Time (February 2017 Intake)

Schedule of Tasks¹

Thursday 26th January 2017

Lecturers to submit dissertation proposals.

Approved dissertation titles and Areas of Interest will be made available online. Students are advised to regularly check the project proposals section for any updates.

Friday 28th April 2017

Submission of project proposals (500 words in PDF Format) / agreement forms by students.

Project proposals and agreements arrangements are to be submitted through the agreement form and accompanied by the apposite project description form / project proposal.

Wednesday 2nd August 2017

Approval of Board of Studies on submitted proposals.

Students will be officially notified on the Board of Studies decision regarding the submitted project proposals/agreement forms. Further details on any action will be communicated in due course.

Friday 29th September 2017

Head of Department to allocate Panel of Supervision. The Panel of Supervision is composed of the Head of Department; Supervisor and other member.

The Panel of Supervision`s role is to follow the students` progress throughout the course.

¹ N.B. Dates are subject to change and students will be informed immediately.

Tuesday 14th November 2017

Students to forward an electronic copy of their Progress Report (in PDF Format) via email.

- This deliverable should be forwarded via email to Ms Francelle Scicluna (Francelle.scicluna@um.edu.mt)

Monday 12th February 2018

Students to forward an abstracts of their Progress Report (in PDF Format) via email.

- This deliverable should be forwarded to Ms Francelle Scicluna (francelle.scicluna@um.edu.mt)

Thursday 28th June 2018

Final call for students to submit requests for change in dissertation titles. All requests are to be forwarded via email to Ms Francelle Scicluna (francelle.scicluna@um.edu.mt).

Administrative staff will ask for recommendations from the respective panel of supervision, prior to submission to the Board of Studies for its consideration and endorsement.

No further changes in titles will be approved after this date.

Monday 3rd September 2018

Students should have already started to submit first drafts of their dissertation chapters directly to their respective supervisors for feedback and corrections.

Arrangements for the submission of these drafts are to be handled and arranged between the supervisor(s) and the student.

Monday 17th September 2018

Deadline by which supervisor(s) should have given his/her feedback on first draft.

¹ N.B. Dates are subject to change and students will be informed immediately.

Monday 28th September 2018

Three spiral bound copies of the dissertation documentation are to be submitted to Ms Francelle Scicluna (Room 4; Level 1; Block A; ICT Building).

- Students are to submit an electronic copy to Moodle.

Friday 12th October 2018

One copy of the Review Paper is to be submitted in PDF Format via email to Ms Francelle Scicluna (francelle.scicluna@um.edu.mt)

Between Monday 3rd and Friday 14th December 2018

Dissertation presentation session. A detailed schedule will be made available in due course.

Friday 15th February 2019

Submission of Hard Bound Copies.

Before producing the Hard Bound Copies, through their respective supervisor (s), students are asked to ensure that there are no nominal changes proposed by the Board of Examiners.

All submissions are to be carried out through Ms Francelle Scicluna (Room 04, Level 1; Block A; ICT Building).

¹ N.B. Dates are subject to change and students will be informed immediately.
