| student or parent suffering from health issues / disability | ✓                                  |   |                   | ✓   |   |  | ✓                |                    | ✓                           | ✓                                      | ✓             |
| is living alone   | ✓                                  |   |                   | ✓   |   |  |                  | ✓                  | ✓                           | ✓                                      |               |
| lives with another third party**                            | ✓                                  |   |                   | ✓   |   |  |                  | ✓                  | ✓                           | ✓                                      |               |
| comes from a low-income family                              | ✓                                  |   |                   | ✓   |   |  |                  |                    | ✓                           | ✓                                      |               |

### Important Notes:

In the case of non-EU residents, students must also attach proof of their residence status.

\*Household Income - parent / guardian / partner and student's income. If parent / guardian / partner does not work, one must provide the Employment History.

\*\*denotes students who reside with another person/s other than their parent/s/legal guardian or partner.

The Students' Maintenance Grants' Board reserves the right to request additional documents as may be required, and to verify authenticity of documents.

In case of other circumstances not covered by the table above, students should query about the documents to be submitted with the Students' Maintenance Grants' Office via email at [maintenancegrants.mede@gov.mt](mailto:maintenancegrants.mede@gov.mt).
