#### **RULES REGULATING THE AWARD OF TRAVEL GRANTS.**

A Travel Grant is a subsidy to offset a part of the expenditure on study related travel and cannot be understood as full compensation for all travel expenses.

Applications for Travel Grants are available from the Secretary's office throughout the year.

It shall be the students' responsibility to ensure that the application form is received at this office by not later than one month after the date of return, and not later than the 9th November. In the case that the return from the visit is later than the 9th November, the application should be submitted before departure.

Acceptance for visits and other study programmes abroad does NOT imply the provision of financial assistance by the University.

The selection criteria for awarding grants are:

1. The visit for which the application is submitted must be related to the applicant's studies, no grants are awarded to applicants traveling on business/ leisure or other activities not related to their academic studies. However students traveling to do some form of voluntary- community work would also be supported.
2. Travel Grants will not be made available to students who travel on behalf of officially recognised Student Societies. Such funding should be made available from the relative Student Society, which may benefit from a separate scheme.
3. First time applicants may be given priority over students who have previously been awarded a Travel Grant. Multiple awards during a student's stay at University may be made only if funds permit.
4. A good recommendation by the Head of Department must be submitted (in case of voluntary-community work, recommendation may also be made by the Pro-Rector)
5. No awards to students that may receive alternative assistance from Erasmus Grants.
6. Applicants who terminated their studies at University are not eligible for a travel award.
7. Late applications will not be considered

#### **APPLICATION AND PAYMENT.**

3. Applicants are to declare their sources of funding in full. Consequently, STUDENTS WHO FAIL TO FILL IN SECTION THREE OF THE APPLICATION FORM WILL BE DISQUALIFIED.
4. A non-refundable application fee of € 3.50 is payable with each application at the Maltapost University Branch. Applicants are to ensure that they retain the receipt in respect of the application fee. The receipt number is entered in the application form.
5. In the case of applicants travelling on group visits, which should be sponsored by a member of the academic staff, each student must fill in an individual application on the prescribed forms. Copies of official invitations, programmes and formal agreements are to be attached.
6. Applications in respect of Traineeships and Clerkships have to be accompanied by the necessary documentation on the visit.
