A volunteer is:

- a person who willingly undertakes the task to perform a service, especially in helping others, without financial gain;
- a person who is ready to selflessly offer time, effort and talent for the common good or community service;
- a person who is passionate about a particular cause or mission.

What does one “gain” from volunteering?

- Volunteering keeps you in regular contact with others and helps you develop a solid support system, whilst instilling a sense of solidarity.
- Volunteering is a way of meeting people with the same interests and ideals.
- Volunteering offers experience and hands on training.
