Social skills and competences

- Team work: I have worked in various types of teams from research to international cooperation, in various positions from team leader to supporting roles;
- Mediating skills: I have often been entrusted to mediate in delicate situations;
- Intercultural skills: I have experience in working in various countries in cultures ranging from Italy, to Albania, Mali, Malta, Mexico. I have also been involved in voluntary assistance to foreign communities residing in Italy, providing technical and logistical support to facilitate social integration;
- Negotiation and diplomatic representation.

Organisational skills and competences

I have experience in organizing and managing various events on a national and international scale, in the fields of sustainable development, environment, culture, youth, and international policy. Roles typically include coordination and administration of people and budget. I have coordinated projects and programmes on the behalf of the Malta Planning and Environmental Authority, Parliamentary Groups in the Italian Senate, on behalf of Friends of the Earth Lombardia and Malta, and earlier on behalf of a travelling street-theatre company in Tuscany, Italy.

Computer skills and competences

Full computer literacy. Competent with all the Microsoft, Macintosh and Lotus programmes, MAP Info, SPSS, and some experience with HTML.

Artistic skills and competences

Writing, cooking and painting.

Other skills and competences

I enjoy practising many sports and I am training to obtain a tennis coach certificate.

Driving licence

A and B (Cars and motorbikes)
