

Poster Presentation Instructions

Poster Size: 100cm x 150cm

Poster Orientation: Landscape

Poster Content:

- Title
- Author information
- Introduction
- Methodology
- Results
- Discussion: Highlight of the most salient points
- Conclusion

Lettering

Title should be large (at least 70-point font) – approx.25-38mm

Text should be readable from 5 feet away. Use a minimum font size of 18 points

Notes

- Aim to use your poster as a means of generating active discussion of the research.
- Limit the text to about one-fourth of the poster space and use “visuals” (graphs, photographs, schematics, maps, etc...)
- Make sure that the graphs and visuals are integrated
- Leave some open space in the design
- Figures should be numbered consecutively according to the order in which they are mentioned in the text
- Each visual should have a brief title

Keep it simple!
