## SCHOLARSHIPS OFFERED BY THE CHINESE GOVERNMENT

The Government of the People's Republic of China is offering two scholarships to enable Maltese citizens to follow courses in institutions of Higher Education in China. The selected candidates will have to leave Malta by mid-September, 1981. Only Maltese nationals are eligible to apply for these scholarships.

2. The following is a List of Courses available for foreign students in Chinese Universities and Colleges. Under-graduate courses last from four to five years while post-graduate courses last from one to two years.

| Speciality                            | Duration of Course | Remarks   |
|---------------------------------------|--------------------|---|
| 1. Chinese                            | 4 years            |   |
| 2. Basic Organic Chemical Engineering | "                  | Not for the Colour Blind  |
| 3. Electrical Machinery               | "                  |   |
| 4. Machinery Manufacture Engineering  | "                  |   |
| 5. Internal Combustion Engine         | "                  |   |
| 6. Agricultural Machinery             | "                  |   |
| 7. Cotton Textiles                    | "                  | Not for the Colour Blind  |
| 8. Mechanized Weaving                 | "                  |   |
| 9. Woollen Textiles                   | "                  |   |
| 10. Textile Machinery                 | "                  |   |
| 11. Dyeing and Finishing              | "                  |   |
| 12. Chemical Fibres                   | "                  | Not for the Colour Blind  |
| 13. Hydrogeology                      | "                  |   |
| 14. Industrial and Civil Architecture | "                  | Not for the Colour Blind  |
| 15. Power Plant and Electric System   | "                  | Not for the Colour Blind  |
| 16. Industrial Automation             | "                  | Not for the Colour Blind  |
| 17. Hydraulic Building                | "                  | Not for the Colour Blind  |
| 18. Roads and Bridges                 | "                  |   |
| 19. Electrometallurgy                 | "                  | Not for the Colour Blind; not for those who have a defective sense of smell |
| 20. Metallurgical Furnace             | "                  | Not for the Colour Blind  |
| 21. Food Engineering                  | "                  | Not for the Colour Blind; not for those who have a defective sense of smell |
| 22. Radio Technology                  | "                  |   |
| 23. Radio Communication               | "                  |   |
| 24. Multi-channel communications      | "                  |   |
| 25. Pharmaceutical Science            | "                  | 1 year course for post-graduate; not for the Colour Blind                   |
| 26. Medicine                          | 5 years            | 1 year course for post-graduate; not for the Colour Blind                   |
| 27. Traditional Chinese Medicine      | "                  | 1 year course for post-graduate; not for the Colour Blind                   |

3. Students who do not have an adequate knowledge of the Chinese language to allow them to follow courses in their field of speciality given in Chinese are required to take a one-year elementary Chinese language course at the Peking Language Institute. They are allowed to take up their branch of study only after their competency in the language is proved. The year spent in the study of the Chinese language is not included in the period of schooling set for their speciality.

4. Scholarship holders will receive a monthly allowance of RMB 100 for under-graduates and a monthly allowance of RMB 120 for post-graduates during the period of study in China. The money is for living expenses in China and cannot be remitted abroad. They are also exempted from tuition, medical fees, text-books expenses, lodging fees and fares for organised visits within the city as well as travelling expenses by land when travelling to another University in other provinces or cities or when returning to Peking on their way home after completion of study.

5. Passage expenses to and from China at the beginning and at the end of the course will be borne by the Malta Government.

#### Obligation

Nominated candidates will be required to sign an undertaking to return to Malta on completion of studies and to be available to serve the Government of Malta or the private sector. Further details on this matter may be obtained from the Personnel Section, Department of Education, Lascaris, Valletta.

#### Application

Applications should be made on the appropriate forms obtainable from the Department of

Education (Personnel Section), Lascaris, Valletta, or from the Office of the Education Officer, Victoria, Gozo. These applications should reach the Department of Education (Personnel Section), Lascaris, Valletta, by not later than Friday, 27th February, 1981.

Applications from Government and para-statal employees will not be considered unless recommended by their Head of Department.

Late applications will not be considered.

£M1=4.3745 RMB (approx.).

27th January, 1981
