A BILL

entitled

AN ACT to make provision with respect to certain foreign activities in or in relation to Malta and with respect to matters connected therewith or ancillary thereto.

BE IT ENACTED by the President, by and with the advice and consent of the House of Representatives, in this present Parliament assembled, and by the authority of the same, as follows:—

1. (1) This Act may be cited as the Foreign Interference Act, 1982. Short title and commencement.

(2) This Act shall come into force upon its publication in the Gazette:

Provided that with respect to any foreign activities of a continuing nature commenced prior to 18th May, 1982, this Act shall have effect on and after 1st September, 1982.

2. In this Act, unless the context otherwise requires —

Interpretation.

“broadcast” includes both sound and television broadcast, and these expressions have the same meaning as they have in the Broadcasting Ordinance 1961;

Ord. No. XX of 1961

“Broadcasting Authority” means the Broadcasting Authority established by section 121 of the Constitution;

“foreign” in respect of a person other than an individual, includes any such person which is controlled, directly or indirectly, by individuals who are not citizens of Malta or are not ordinarily resident in Malta, or a combination of both, and, in respect of an individual, means an individual who is not ordinarily resident in Malta;

“foreign activity” means anything done by, or sponsored, promoted or in any manner whatsoever assisted or encouraged by, any foreign person but does not include an activity which is purely commercial or industrial or which is related solely to the performance

of diplomatic or consular duties, nor does it include any sporting activity or any activity of a kind normally expected of a visitor:

Provided that for the purposes of this definition no activity shall be deemed to be purely commercial or industrial if it provides or serves to provide a financial or other valuable advantage, whether directly or indirectly, to a political party or to an active member or supporter thereof;

"Minister" means the Minister for the time being responsible for foreign affairs;

"person" includes any State or Government, any political party, and any political or other organization, institution or body whatsoever.

Prohibited Activities.

3. (1) It shall not be lawful to hold any foreign activity in Malta except with the permission of the Minister granted in accordance with the provisions of this Act.

(2) A permission under this section shall not be granted unless an application therefor is made in writing to the Minister, and —

(a) the activity is to be directly and overtly held by the foreign person applying for permission, or is to be publicly and clearly advertized as being promoted, sponsored, assisted or encouraged by a named foreign person; and

(b) the activity is one which is of a purely cultural, educational, philanthropic or religious nature or consists of an entertainment; and

(c) the activity in no way constitutes an interference in the internal affairs of Malta or the foreign policy pursued by its Government; and

(d) the activity in no way gives an advantage to one or some only of the political parties over any other such party.

(3) In granting permission under this section the Minister may impose such conditions, limitations and restrictions as he may deem appropriate to ensure, in particular, compliance with the purposes of this Act; and anything done in contravention of any such condition, limitation or restriction, or of any provision of the permission, shall be deemed to have been done without such permission and shall without prejudice to the other provisions of this Act, entitle the Minister to revoke the permission.

Broadcasting received in Malta.

4. (1) Where a programme broadcast from any place outside Malta is received in Malta and, by reason of the language used or of the contents of the programme, such broadcast may reasonably be deemed to be intended to be received primarily in Malta, it shall not be lawful for any person who is a citizen of Malta or who is ordinarily resident in Malta, whether in his own behalf or in behalf or for account of any other person, to participate in any such broadcast or in any manner to aid or abet the making of such broadcast, or to do anything which may directly or indirectly be of assistance or encouragement to such broadcast.

(2) For the purpose of this section a person whose actions or voice appear or are reproduced on any programme broadcast as aforesaid, except where such person is merely a spectator, shall be deemed to have participated therein unless he proves that the programme was recorded without his knowledge or that the programme was recorded or broadcast against his express instructions.

(3) The provisions of this section shall not apply if the broadcast is made with the written permission or concurrence of the Broadcasting Authority, given in observance of its functions under the Constitution as if such broadcasting originated in Malta, and in strict compliance with any condition, limitation or restriction to which such permission or concurrence may have been subjected.

5. (1) Any person acting in contravention of any of the provisions of the foregoing sections of this Act shall be guilty of an offence against this Act and for each such offence shall be liable, upon a first conviction, to a fine (multa) not exceeding one thousand pounds, upon a second conviction to a fine (multa) of not less than one thousand pounds and not exceeding five thousand pounds and upon a third or subsequent conviction, to imprisonment for a term not exceeding six months and to a fine (multa) not exceeding five thousand pounds, and, in the case of a continuing offence upon any conviction, to an additional fine (multa) not exceeding one hundred pounds for each day during which the offence has continued. Penalties.

(2) Without prejudice to the provisions of any other law relating to forfeiture, any funds, equipment or other movable thing whatsoever, whether of the same kind or not, kept or used for or in connection with any foreign activity or broadcast held in contravention of any of the provisions of this Act, shall be forfeited in favour of the Government, and such forfeiture shall be ordered by the Court in any case and whether or not such funds, equipment or other thing are the property of, or are kept or used by, the person convicted or are the property or are used or kept by any other person whatsoever.

Objects and Reasons

The Bill provides mainly for the regulation of foreign activities which may amount to interference in Maltese affairs.
