6. Your request will be reviewed by the OAR@UM Team and once approved, the new publications list will automatically appear on your UM Academic Profile webpage.

Any new uploads on OAR@UM will automatically feature on your Publications List made available on your UM Academic Profile webpage.

The new Publications List will feature all your peer-reviewed publications, while a link will be available to expand your list so as to include non-peer reviewed publications and grey literature.

For any queries contact the Library's Open Science Department on: <u>oar.lib@um.edu.mt</u>.
