SWISS GOVERNMENT**

The Swiss Government has offered two scholarships to enable two Maltese citizens to follow courses in the field of Hotel Management tenable in Switzerland between September 1977 and December 1979.

Applicants must have a diploma in Hotel Management equivalent to the French Baccalaureat. They must also produce evidence of having practical experience in this field.

All the courses are conducted in the French language and a good knowledge of French is, therefore, indispensable. For this purpose candidates must submit themselves to a test in French. Moreover, the selected candidates must follow a crash course in French of six week duration (beginning of August to 15th September, 1977) at the Institute of Gleon, Switzerland.

In view of the various problems that may face married candidates whilst living in Switzerland, preference will be given, other qualifications being equal, to unmarried candidates.

The Swiss authorities will effect payment of the following allowances:—

(a) Air travel (economy class) on the dates and by the flights fixed by the Swiss Service of Technical Co-operation;

- (b) A monthly allowance to cover personal expenses;
- (c) Schooling (including boarding allowance (pension), examination fees, teaching material, excursions);
- (d) Local travelling within the framework of the course;
- (e) Insurance premiums for sickness and accidents, in accordance with the statutes of the CPT Sickness Fund.

Application forms obtainable from the Education Office, (Personnel Section), Il-Baviera, Valletta, or from the Office of the Education Officer, Victoria, Gozo, will be received at the Education Office, Il-Baviera, Valletta, by not later than Friday, 15th April, 1977.

- Free access to libraries and lecture-rooms;
