MALTA DEVELOPMENT CORPORATION

Notes on the Accounts — 31st December 1974

1. *Accounting Policies*

The principal accounting policies observed by the Corporation are as follows:—

a) *Investments in Development Projects*

Investments in development projects are valued at cost less a provision calculated to reduce these to their estimated current value.

The provision in respect of investments from the Corporation's own funds is charged to the Income and Expenditure Account; whilst the provision in respect of investments from Government funds is treated as a deduction from those funds.

b) *Stock*

Stock is valued at the lower of cost and estimated net realisable value.

c) *Doubtful Debts*

Debtors are stated after deducting an amount which is considered adequate to provide for doubtful debts.

d) *Foreign Currency Balances*

Foreign currency balances are converted to Malta Pounds at the rate of exchange ruling at the balance sheet date. Unrealised profits resulting from conversion are dealt with in "Other Reserves", (note 11).

e) *Fixed Assets*

Furniture, fittings and equipment are written off in the year of purchase. A reserve is established to provide for the replacement of major fixed assets.

MALTA DEVELOPMENT CORPORATION**Accounts — 31st December 1974****REPORT OF THE AUDITORS**

The accounts are in agreement with the books which, in our opinion, have been properly kept.

We have not been able to satisfy ourselves whether any losses are expected to arise out of the undermentioned items:—

- a) Guarantees, referred to in note 14 (a), given on behalf of third parties in the aggregate amount of £M172,562 in respect of which the Corporation does not hold any counter indemnities.
- b) Any shortfall in the counter indemnity in respect of the claim of approximately £M30,000 referred to in note 14 (b).

Subject thereto, we obtained the information and explanations we required and in our opinion the accounts give a true and fair view of the state of affairs at 31st December, 1974, and of the results for year ended on that date, and comply with the Malta Development Corporation Act, 1967.
