COUNCIL OF EUROPE

Training Bursaries for Student Instructors

The Director of Education invites applications from young men preferably between the ages of 22 to 35 years to undergo a training course of approximately six months duration tenable in Austria, through bursaries being made available by the Council of Europe. Training will be given in one of the following trades:—

- (a) Tool Makers
- (b) Instrument Makers
- (c) Fitters
- (d) Locksmiths
- (e) Welders
- (f) Turners
- (g) Carpenters

These courses are scheduled to commence in July 1974.

The Grant holder will be expected to practise in his own country the profession or trade for which he has received training.

The Council of Europe will bear the cost of the board and lodging provided or arranged by the host vocational training centres or firms. The Council will also pay the grant holder's fees, the cost of the supplies required for the courses and travelling expenses by the cheapest route between the usual place of residence and the host establishment. Student Instructors will receive 300 FF pocket money each month.

Neither the Council of Europe nor the host country undertakes to pay to a grant holder sickness or accident expenses or compensation for death or disability, accident or any other cause. Selected applicants will have to provide an insurance policy for the duration of the course at their own expense.

Grant holders are strongly advised not to be accompanied by dependents since the allowance for board and lodging is calculated to cover the normal expenses of the grant holder only. The Council of Europe accepts no responsibility for expenses or prejudice resulting from the fact that a grant holder is accompanied by members of his family.

The Candidate must have worked for at least three years as a skilled operative in the occupation in which he applies. Applications should be submitted in triplicate on a special form obtainable from the Education Office. Any inaccuracy in the information supplied by the candidate may entail the cancellation of the grant.

Grant holders are expected to conform to the regulations of the vocational training centres or firms. In the event of slackness or indiscipline, the Secretary General of the Council of Europe may, on the proposal of the authorities responsible for the establishment decide to dismiss the grant holder.

Applications accompanied by certificate of birth and copies of testimonials should reach the Director of Education (attention Mr P. Tedesco) not later than noon on Saturday, 1st September, 1973.
