When the division into the said parts was completed each part was placed in a separate wooden box marked with the progressive number of the respective part.

The Commission subsequently locked and sealed each of the said 48 wooden boxes, fixed on each of the said 48 boxes a declaration signed by a member of the Commission showing the number of cases enclosed therein and placed the said 48 wooden boxes under its custody.

On the 24th September, 1972 that is the day fixed for the draw of the Ninety-Third Government Lottery the said Commission, having examined each of the said 48 wooden boxes and the declaration affixed on same and having found each and every one of them in order, caused them to be taken to the place fixed for the said draw, which was held as Saint James Ditch, Floriana, and carried out in the following manner.
