COMMONWEALTH STUDY FELLOWSHIPS FOR YOUTH PERSONNEL

Applications are invited for Commonwealth Study Fellowships for people engaged in Youth work. The Commonwealth Youth Programme which was established in 1973 at the request of member governments aims to encourage and support the active participation of young people in national developments at all levels in both the developing and the more developed Commonwealth countries.

The purpose of the Study Fellowships scheme is to provide on as wide a scale as possible the opportunity for an exchange of experience, ideas and information at first hand for personnel actively engaged in youth work in Commonwealth countries. The scheme facilitates the exchange of personnel between countries and enables those attending conferences abroad under other sponsorship to gain additional benefit by extending their visits in order to study developments in youth work in the host country or in a neighbouring third country.

Fellowships are available for the purpose of short-term study visits and will normally be awarded for periods of up to 28 days. Applications for visits of a longer duration will be considered on their individual merits.

Fellowships are not normally available solely to finance participation in conferences or seminars, but may be awarded for the purpose of extending such visits, either within the country visited or to a third country.

Fellowships are generally intended to provide assistance for projects not covered under existing sponsorship programmes. Opportunities for assistance under existing bilateral schemes will be examined before consideration is given to the award of a Fellowship.

Conditions

If awarded a Fellowship the applicant will be expected to:

- make his own travel and accommodation arrangements;
- arrange for travel and other documents necessary for the visit;
- contact the institution/organisation/project he intends to visit to obtain acceptance;
- where necessary, obtain approval for the visit from his organisation or employer;
- return to his home country within the agreed time period;
- submit to the Director of the Commonwealth Youth Programme within one month of return home a report on the visit including details of projects observed, etc. and a brief evaluation of the visit.

Emoluments

Fellowships will normally include payment of the following:

- an economy class air fare by the most direct route, if applicable;
- local travel costs where necessary;
- a daily subsistence allowance for board and lodging.

Eligibility

To be eligible for consideration for an award, the applicant must be:

- a Maltese citizen;
- over 18 and under 35 years of age;
- actively engaged in youth work, either full-time or part-time, paid or voluntary;
- in a position to convey some benefit to the young people with whom he works on his return home.

Applications are to be received by the Youth Service Organiser, Education Office, Marsamxetto Road, Valletta, by not later than 9th August, 1974.

2nd August, 1974.
