JAPANESE GOVERNMENT SCHOLARSHIP FOR 1975 (RESEARCH STUDENT)

The Ministry of Education, Government of Japan offers 2 scholarships to Maltese students who wish to study at a Japanese university as Research Students under the Japanese Government Scholarship Programme for the academic year 1975 as follows:

1. AIM:

The aim of this programme is to give opportunities to foreign students wishing to continue their studies at a university in Japan and to give necessary assistance and cooperation in pursuing their studies, thus promoting international exchange in the fields of education, science and culture and contributing to the mutual understanding and cooperation between Japan and the foreign countries concerned.

2. FIELDS OF STUDY:

Humanities and Social Sciences-Literature, History, Aesthetics, Law, Politics, Economics, Commerce, Pedagogy, Psychology, Sociology, Music, Fine Arts, etc.

Natural Sciences — Pure Science, Engineering, Agriculture, Fisheries, Pharmacology, Medicine, Dentistry, Domestic Science, etc.

* Students majoring in medicine or dentistry shall not be allowed to carry out their clinical studies by conducting medical examinations or performing operations, unless they have passed the State examination for medical or dental practice given under the provisions of the Japanese laws concerned and have obtained the prescribed licence to practise.

3. QUALIFICATIONS:

(1) **Nationality:** Applicants must be nationals of the country to which the scholarships are offered.

(2) **Age:** Applicants must be under 35 years of age on April 1st, 1975 (i.e. born on or after April 2nd 1940).

(3) **Academic Background:** Applicants must be university or college graduates (Those who will graduate from a university or college by March or September 1975 may apply).

Applicants wishing to enter Master's course must have completed the regular course of at least 16 years of school education.

(4) **Study Area:** The study area must be in the same field as the applicant has studied (or is now studying) or a related one.

(5) **Japanese Language:** Applicants must be willing to study the Japanese language and to receive instruction in that language.

(6) **Health:** Applicants must be sound mentally and physically and in particular must have no infectious diseases such as tuberculosis, leprosy, cholera, etc. and no mental diseases.

(7) **Arrival in Japan:** Applicants must be able to leave for and arrive in Japan between the 1st and 10th of April, 1975 or between the 1st and the 10th of October, 1975.

* The grants may be cancelled if grantees fail to arrive in Japan by the appointed date.

4. SCHOLARSHIP BENEFITS:

(1) **Allowance:** 89,000 yen per month will be given to each grantee during the tenure of his scholarship.

(2) **Transportation:**

i) **Transportation to Japan:** The grantee will be supplied, according to his itinerary designated or by the Ministry of Education Government of Japan with a tourist class air ticket from the international airport nearest to his home address to Tokyo International Airport or New Tokyo International Airport.

ii) **Transportation from Japan:** The grantee who is going back to his home country within the fixed period after the expiration of his scholarship will be supplied, according to his application, with a tourist class air ticket from Tokyo International Airport or New Tokyo International Airport to the international airport nearest to his home address.

* The aviation and accident insurance to and from Japan shall be paid by an applicant.

(3) **Arrival Allowance:** The sum 25,000 yen will be given to the grantee on arrival to meet his immediate requirements.

(4) **Field Study Allowance:** The allowance not more than 35,000 yen will be given to the grantee for use in his field work.

(5) **School Fees:** Fees for the entrance examination, matriculation, and tuition at universities will be waived.

(6) **Accommodation:** Details as to accommodation are available from the Personnel Section, 90 West Street, Valletta.

5. PLACEMENT TO AND EDUCATION AT UNIVERSITY:

(1) All lectures, experiments and practical works at universities are conducted in the Japanese language.

(2) The Japanese Ministry of Education will place the grantees for the first 6 months or 1 year in the Special Course for Foreign Students, Osaka University of Foreign Studies (Location: 8-chome, Uehon-machi, Tennoji-ku, Osaka) to study the Japanese language. A grantee who has completed the Japanese course will be transferred to a university decided by the Japanese Ministry of Education.

(3) A grantee whose knowledge of the Japanese language is recognised by the Japanese Ministry of Education as sufficient to conduct his study will be directly placed to a university according to his major.

(4) A grantee will be usually enrolled at a university in the capacity of a non-degree student, i.e. a research student (Kenkyu-sei) or an auditor (Choko-sei).

(5) Those who wish to enter Master's or Doctor's degree course of a graduate school should sit for and pass the entrance examination given by the university concerned after having studied at least for 6 months as non-degree research students. Failure in the examination will result in re-enrollment as non-degree research students.

* According to the educational system of Japan, the course for a Master's degree requires at least 2 years of study after graduation from a university (i.e. after completion of the whole course of 16 years conducted at school) and the course for a Doctor's degree requires at least 3 years of study after completion of the Master's degree course. Those who have studied in such courses for the required terms of study obtaining the necessary credits and have passed the terminal examination after submission of their thesis, will be given the degrees concerned. Even if he is admitted to a graduate school, it will be quite difficult for him to obtain a degree within the prescribed period of time.

** In the fields of medicine and dentistry, any university in Japan does not institute a course for a Master's degree but a course for a Doctor's degree which requires 4 years of study after completion of the course of 18 years conducted at school.

*** The method of examination for admission to a graduate school varies according to a university where post-graduate courses are instituted. Generally speaking, every applicant should sit for examinations in 2 foreign languages (out of English, German, French), his major subject and thesis.

6. NOTES:

(1) More detailed information on this scholarship programme is available at Japanese diplomatic mission abroad.

- (2) A grantee will be deprived of his scholarship in any of the following cases:
- a. where a false statement has been made on his application dossiers.
 - b. where he violates any article of his pledge to Mombudaijin (Minister of Education).
 - c. where he has been subjected to disciplinary action by the University or has no promise for academic achievement (e.g. Failure to achieve a satisfactory level in the Japanese language or in his majoring subject.)

(3) A grantee is advised to study the Japanese language and to have full information on things Japanese, the climate, customs and manners, university education and conditions in general before coming to Japan.

(4) A grantee is also advised to bring about U.S. \$100 with him as reserved fund.

7. Application forms obtainable from the Education Office, Personnel Section, 90, West Street, Valletta, accompanied by Certificates relating to qualifications and experience will be received at the same Office by not later than Wednesday, 25th September, 1974.

Late applications will not be considered.

17th September, 1974.
