SCHOLARSHIPS IN NORWAY

Under the Council of Europe Higher Education Scholarship Scheme, Norway is offering five scholarships for specialised studies to post-graduate students coming from member states of the Council for Cultural Co-operation.

Each scholarship is granted for 9 months or one academic year and is available for studies of free choice on condition that a place of study on the topic may be found. There is no rigid age limit but the scholar should, preferably, not be over 40 years of age. The scholar should not be attached to more than one or two universities institutions during his study period in Norway.

A prospective candidate should have a reasonable working ability of Norwegian or English and be in good health. He should express his wish as to the place of study and this will be respected as far as placement possibilities permit.

In addition to the monthly scholarship allowance of N. Cr 2,400, necessary travel expenses within Norway, registration fees, study materials, health insurance etc will be granted during the year with up to N. Cr 1,500 to each scholar. Limited health insurance will be granted but not a full social security.

Accommodation is available in student hostels and scholars must pay the relative expense out of the monthly scholarship allowance.

Scholars will be granted a residence permit during the term of their scholarship but they must agree to return to their home country on completion of studies in Norway. They cannot accept paid employment during their stay in Norway.

Obligation

Nominated candidates will be required to sign an undertaking to return to Malta on completion of studies and to be available to serve the Government of Malta or the private sector. Further details on this matter may be obtained from the Personnel Section, Department of Education, Lascaris, Valletta.

Application

Applications should be made on the appropriate forms obtainable from the Department of Education, (Personnel Section), Lascaris, Valletta, or from the Office of the Education Officer, Victoria, Gozo. These applications should reach the Department of Education, (Personnel Section), Lascaris, Valletta, by not later than Friday, 25th January, 1980.

Applications from Government and parastatal employees will not be considered unless recommended by their Head of Department.

Late applications will not be considered.

**COUNCIL OF EUROPE HIGHER EDUCATION SCHOLARSHIP
SCHEME — AUSTRIA 1980/81**

Under the Higher Education Scholarship Scheme, sponsored by the Council of Europe, the Austrian Government offers two scholarships of nine months duration for the academic year 1980-81.

Value

Monthly allowances:

- AS 5,000 for students
- AS 5,500 for postgraduates
- AS 6,500 for University lecturers

Holders of scholarships are exempted from paying tuition fees at institutions of higher learning.

Health insurance: Holders of scholarships are insured against sickness and accidents, free of charge.

Housing: Holders of scholarships will be accommodated at student hostels at their own expense.

Eligibility

Candidates should be between 21 and 35 years of age.

Applicants must have completed successfully at least six semesters at an institution of higher learning and submit proof of good qualification in the form of examination certificates and two letters of recommendation. Postgraduates must continue their studies in that field in which they have obtained their degree.

Applicants who have to register at an institution of higher learning must have a good command of the German language, since this is a precondition for admission to Austrian universities, all lectures being given in German. It is, therefore, essential to submit a German language certificate. Universities may before admitting a candidate as regular student, request him to prove his knowledge of the German language in an examination. For this examination, an idiomatically correct pronunciation, a perfect understanding of the spoken and written language, and for modern texts sufficiently large stocks of words and phrases as well as the theoretical knowledge and practical command of the German grammar is required.

Guest scientists carrying out research work must have an adequate command of the language in which the research project can be realised.

Field of studies

There is no limitation concerning the field of study. However, in specific fields the number of foreign students who may be admitted is limited. In general, this does not apply to holders of scholarships. Nevertheless, it is necessary for the Federal Ministry of Science and Research to verify the possibility of admission and of realisation of the project of study or research for every single candidate.

Conditions

Grantees are requested to pursue a regular course of study at their place of study.

During the time of lectures, presence at the place of study is necessary. Exceptions can only be admitted by the Federal Ministry of Science and Research upon special request.

The scholarship covers only living and study expenses for the grantee himself. Accommodation in student hostels cannot be provided for couples or other family members.

Obligation

Nominated candidates will be required to sign an undertaking to return to Malta on completion of studies and to be available to serve the Government of Malta or the private sector. Further details on this matter may be obtained from the Personnel Section, Department of Education, Lascaris, Valletta.

Application

Applications should be made on the appropriate forms obtainable from the Department of Education (Personnel Section), Lascaris, Valletta, or from the Office of the Education Officer, Victoria, Gozo. These applications should reach the Department of Education (Personnel Section), Lascaris, Valletta by not later than Wednesday, 30th January, 1980.

Applications from Government and parastatal employees will not be considered unless recommended by their Head of Department.

Late applications will not be considered.

SCHOLARSHIPS IN HOTEL MANAGEMENT OFFERED BY THE SWISS GOVERNMENT

The Swiss Government has offered two scholarships to enable Maltese citizens to follow courses in the hotel trade and the fundamental knowledge in tourism. These courses are held in Switzerland between September 1980 and December 1982.

Candidates should be at least 20 years of age.

The courses are conducted in the French language and a good working knowledge of French is, therefore, indispensable. As a principle, the selected candidates have to undergo an intensive course in French of five weeks duration at the Institute of Glion, Switzerland as from the end of July, 1980. If on the basis of a language test and references provided by the Swiss Consul in Malta, the selected candidates have a good working knowledge of the French language, they may be exempted from this course. A good knowledge of the English language is also necessary.

In view of the various problems that may face married candidates whilst living in Switzerland, preference will be given, other qualifications being equal, to unmarried candidates. In any case, successful married candidates will not be joined by their family and will only be able to visit them during the holidays at the end of the year.

The Swiss authorities will effect payment of the following allowances:—

- (a) Air travel (economy class) on the dates and by the flights fixed by the Swiss authorities;
- (b) A monthly allowance to cover minor personal expenses;

(c) School fees (including boarding, examination fees, teaching materials and excursions);

(d) Local travelling expenses within the framework of the course;

(e) Insurance against accidents or illness in accordance with the statutes of the CPT Sickness Fund;

(f) An allowance for the purchase of professional and winter clothing.

Obligation

Nominated candidates will be required to sign an undertaking to return to Malta on completion of studies and to be available to serve the Government of Malta or the private sector. Further details on this matter may be obtained from the Personnel Section, Department of Education, Lascaris, Valletta.

Application

Applications should be made on the appropriate forms obtainable from the Department of Education, (Personnel Section), Lascaris, Valletta, or from the Office of the Education Officer, Victoria, Gozo. These applications should reach the Department of Education, (Personnel Section), Lascaris, Valletta, by not later than Wednesday, 23rd January, 1980.

Applications from Government and parastatal employees will not be considered unless recommended by their Head of Department.

Late applications will not be considered.

COUNCIL OF EUROPE HIGHER EDUCATION SCHOLARSHIP SCHEME — ITALY 1980/81

Within the system of grants for studies in higher education under the auspices of the Council of Europe, the Italian Government offers, for the academic year 1980/81, eight scholarships to foreign students coming from member states of the Central Cultural Committee of the Council of Europe.

The grants are tenable for a period of 12 months and are intended for students who wish to undergo post-graduate studies and research in all fields at Universities and Institutes of their choice.

Candidates should be under 35 years of age

and in possession of a University degree or equivalent. They should have a very good knowledge of the English or French Language. Knowledge of the Italian language will also be taken into consideration when selecting candidates for these awards.

The selected candidates will be granted a monthly allowance of Lit. 280,000. INA insurance premiums will cover life assurance and illness contracted during the course and accidents. The return fare between the capital of the students' home country and Rome will be met by the Italian Government.

The universities and state university institutes at which scholarship holders enrol will grant a 50% reduction on the enrolment fee.

Nominated candidates will be required to sign an undertaking to return to Malta on completion of studies and to be available to serve the Government of Malta or the private sector. Further details on this matter may be obtained from the Personnel Section, Department of Education, Lascaris, Valletta.

Applications should be made on the appropriate forms obtainable from the Department of Education (Personnel Section), Lascaris, Valletta,

or from the Office of the Education Officer, Victoria, Gozo. These applications should reach the Department of Education (Personnel Section), Lascaris, Valletta, by not later than Wednesday, 30th January, 1980.

Applications from Government and parastatal employees will not be considered unless recommended by their Head.

Late applications will not be considered.
