Federal Republic of Germany — Scholarship in Journalism

The Federal Republic of Germany through the International Institute for Journalism in Berlin has offered one scholarship to enable a Maltese citizen to attend the 40th course in advanced journalism organised by the Institute. The course will be held between the 18th September and the 12th December 1980.

Candidates — male or female — must have a minimum of four years continuous employment as a staff journalist on an established newspaper or magazine and should be in the age group between 24 and 30. Normally the course participants would be editors, sub-editors, senior deskmen, news editors or journalists in comparable positions. Chief reporters and reporters will not be admitted this time but will be considered again for one of the next courses.

Journalists from the Electronic Media — Radio and/or Television — from News Agencies or Information Officers cannot be accepted.

Candidates must be fluent in speaking and writing English (to be tested by the German Embassy). Beside the professional qualification the candidates must have the written consent of their

employer to give them paid leave for the period of their stay in Berlin. The course participants will be required to attend all lectures, discussions and field trips; this will preclude their working as foreign correspondent for their paper during their stay in Germany (it goes without saying that course participants can write articles in their free time). The Institute retains the right to terminate the scholarship of any candidate who does not attend regularly or for the full length of the course (in which case he or she would have to assume the costs for the return flight).

Candidates who have already participated in other training courses in Europe or who have travelled in the Federal Republic of Germany and/or West Berlin as guests of the German Government cannot be considered.

The Institute will provide

— a prepaid air ticket economy class with Lufthansa from the place of origin to Berlin and back

— a single room with communal kitchen and communal bathroom in a student hotel

— a monthly stipend of DM 900 — from which the course participants will have to pay for their food and personal needs.

Every participant is required to bring along several copies of the paper or publications he works for. It is recommended to make arrangements with the distribution department before departure to receive newspapers from home since it will not be possible for the Institute to order the participants' newspaper for a period of three months each time.

Further details about these awards are available at the Personnel Section (Room 25), Department of Education, Lascaris, Valletta.

Obligation

Nominated candidates will be required to sign an undertaking to return to Malta on completion of studies and to be available to serve the Government of Malta or the private sector. Further details

on this matter may be obtained from the Personnel Section, Department of Education, Lascaris, Valletta.

Application

Applications should be made on the appropriate forms obtainable from the Department of Education (Personnel Section), Lascaris, Valletta, or from the Office of the Education Officer, Victoria, Gozo. These applications should reach the Department of Education (Personnel Section), Lascaris, Valletta, by not later than Friday, 4th April, 1980.

Applications from Government and para-statal employees will not be considered unless recommended by their Head of Department.

Late applications will not be considered.
