AWARD OF SCHOLARSHIPS IN ENGINEERING  
TO CITIZENS OF COMMONWEALTH COUNTRIES  
TENABLE AT THE HIGHER TECHNICAL INSTITUTE  
NICOSIA — CYPRUS

The Government of the Republic of Cyprus has decided to offer annually one scholarship in engineering to citizens of the Commonwealth Countries tenable at the Higher Technical Institute, Nicosia.

The Institute is a joint project of the United Nations Development Programme (Special Fund) and the Government of the Republic of Cyprus.

**I. — COURSES AND LEVEL**

The Institute offers three-year full time courses in the field of:—

Mechanical Engineering;  
Electrical Engineering; and  
Civil Engineering.

The level aimed at on completion of the courses, is comparable to that of similar internationally accepted courses for high level Technician Engineers (such as the Higher National Diploma of the U.K. and the Higher Technician Diploma of the City and Guilds of London Institute). The courses are not preparatory for further University studies nor are they designed to be of the level and orientation of a University degree. Graduates who wish to do so however, may pursue University studies leading to a Bachelor's degree on completion of their 3-year course, though such courses are not offered in Cyprus and would necessitate the student obtaining a place in a suitable establishment abroad. H.T.I. courses are industrially oriented and combine workshop practice (in the 1st year), theoretical and laboratory work (in all three years) and part-time industrial training (in the third year).

**II. — TENURE**

The purpose of the scholarship is to enable the scholars to acquire sufficient academic and practical training in the field of their choice to enable them on graduation to take over responsible and executive posts in industry as high level Technician Engineers or/as Technical Teachers for Secondary Technical and Vocational Schools.

The duration of the scholarship shall be for one year renewable for the second and the third year, subject to the conduct and performance of the scholar at the end of each academic year.

**III. — ACADEMIC YEAR**

The academic year commences in early September each year and ends at the end of June of the following year. The year is divided into two Semesters each of 20 weeks duration. There is a Christmas and an Easter break each being of one-week duration.

Each Semester has three evaluation stages during which written examinations are held.

**IV. — ELIGIBILITY**

Applicants must be graduates of six-year Secondary General or Technical Schools, i.e. must have had a total of 12 years of schooling, and must have a working knowledge of the English language.

They should be physically fit and should not be under 18. There is no age limit to the acceptance of students, but it would be preferable if they are not over 30 years of age.

## V. — SELECTION

Selection of scholars will be at the sole discretion of the Government of the Cyprus Republic. Applicants will be notified of the results through their Sponsoring Authority.

## VI. — EMOLUMENTS

Scholarship emoluments shall consist of tuition fees; £43 monthly for board and lodging; £25 — yearly for water and electricity consumption; £15 — yearly for books and stationery; and £100 towards passages to and from Cyprus.
