Lorenzo Gatt Bequest

The Chairman, Board of Administration (Lorenzo Gatt Bequest) notifies that in terms of the bequest made by the late Honourable Lorenzo Gatt C.O.M.G., A.I.C., in his secret will published by Notary Dr R. Girard on the 13th July, 1938, an award is to be made every three years' period preferably to Maltese Architects and Civil Engineers as an incentive to emigrate.

The Board of Administration have therefore decided to make the first award of £150 this year. Applications were accordingly invited on two separate occasions by Government notice in the Government Gazettes dated 22nd June, 1965, and 20th September, 1965, respectively from Maltese Architects and Civil Engineers interested in the award. However no applications were received.

The Board of Administration have therefore now decided that applications be invited from graduates in all faculties who propose to emigrate. First preference will however be given when selection is being made, to members of the Maltese profession of Architects and Civil Engineers. If no candidates from such profession are available, preference will next be given to holders of degrees, nearest those in Engineering and Architecture. The decision of the Board on the matter will be final.

Applications from interested persons holding degrees will be received up to Monday, 31st January, 1966, by the Chairman, Board of Administration, at No. 310, Kingsway, Valletta.

Applicants for the award must satisfy the Board of Administration that they actually propose to settle abroad. In this connection the selected candidate would be required to give an undertaking and to provide a reliable surety that he would refund the award made to him should he permanently return to Malta before the lapse of three years from the date of departure.
