About The Charities Campaign:

The Charities Campaign had its first edition in November, 1964 when students from the Royal University of Malta got together to collect funds for needy students and local charitable institutions. Every year the target of money to be collected has been raised, and every year the students do their utmost to collect the target figure.

Since 1968, the students from M.C.A.S.T. and from the Teachers' Training Colleges have joined forces with the students from R.U.M. to form the National Students' Charities Campaign. The campaign itself is also being planned on a larger scale and it has gradually become the policy of the Committee to give the public value for its money, at least in some activities.

This year the campaign is progressing well; the target sum of £1,500 has already been surpassed, and this production of "HOTEL PARADISO" should raise the total collected even further. The Committee wish to extend their grateful thanks to:-

**Some useful hints
for DIXAN
the final answer to all
washing problems**

Here's the easiest and safest way to obtain the best washing results whether by machine, boiler, or by hand. Just follow the DIXAN formula. Easy as ABC.

DIXAN CAN HANDLE ANY WASHING PROBLEM

Automatically controlled suds: that is just the right amount of suds for cold water, just the right amount of suds for hot water.

DIXAN provides just the right amount of suds for the best wash.

DIXAN HAS A SPECIAL ACTIVE OXYGEN WHITENER

This bleaches your wash producing an unrivalled whiteness.

DIXAN HAS TWO SPECIAL BRIGHTENERS

The first brightener gives brilliant whiteness. The second brightener gives you an extra brightness. Together they give you a whiteness beyond compare.

Henkel

Once again DIXAN shows its versatility - this time with coloureds.

Here DIXAN adjusts its suds to luke warm water to give your fine fabrics the care they deserve.

DIXAN WITH WATER-SOFTENER MAKES ANY WATER AS SOFT AS RAIN

DIXAN launders your whites and coloureds as well as delicate fabrics and synthetics in one thorough and spotlessly clean wash. Feel for yourself the results of DIXAN's built in water softener, and come to expect that fresh washday smell.

One of the great hotels of the Mediterranean

The Phoenicia is one of the great hotels of the Mediterranean. Just beyond the city boundaries of ancient Valletta, it looks out over two harbours, and is encircled by the Floriana gardens.

Every room has its own bathroom, telephone, air-conditioning and radio, with television on request.

Six suites cater for all conference requirements; they include the unique 'Green Lounges' and a ballroom with a reception capacity of 1200.

There are two top-class restaurants and three bars; the cuisine is outstanding and there is a well-stocked wine-cellar.
