## One of the great hotels of the Mediterranean

The Phoenicia is one of the great hotels of the Mediterranean. Just beyond the city boundaries of ancient Valletta, it looks out over two harbours, and is encircled by the Floriana gardens.

Every room has its own bathroom, telephone, air-conditioning and radio, with television on request.

Six suites cater for all conference requirements; they include the unique 'Green Lounges' and a ballroom with a reception capacity of 1200.

There are two top-class restaurants and three bars; the cuisine is outstanding and there is a well-stocked wine-cellar.
