UNTIL NOW MALTA WAS NEVER KNOWN FOR ITS OWN CORAL REEF

The beautiful seas of Malta are abundant with marine life. Yet despite the sheer variety of underwater fascination, Malta has not been famous for its own coral reef. That is, until now.

Located on the enchanting Qawra Coast at the water's edge is the Coral Reef Restaurant, a tribute to Maltese hospitality and international cuisine.

At the Coral Reef Restaurant you can relax in the comfort of our dining room overlooking the bay. Whatever your choice, whether local seafood, smoked dishes, tender Angus Beef or refreshing desserts, our pianist will lull away the tranquil evening while you savour our acclaimed cuisine.

So discover for yourself the charms of Malta's own Coral Reef.
