Ungerija..... 2

Malta..... 0

Malta sfat meglhuba mill-Ungerija bl-iskor ta' 2-0 b'goal f'kull taqsimha biex nizlet f'qiegħ il-klassifika minhabba li l-Moldova kisbu draw ta' 1-1 kontra t-Turkija biex jinsabu punt fuqna.

Bla dubju, il-protagonista tal-logħba kien il-goalkeeper Malti, Justin Haber, li żamm lil shabu fil-partita b'bosta saves spettakolari u determinanti.

L-Ungerizi mill-ewwel urew l-intenzjonijiet tagħhom u mat-tisfira inizjali huma harġu fuq l-offensiva biex isibu goal kmieni. Fl-14-il minuta, Zoltan Gera laqat il-wieqfa b'rovexxjata u għaxar minuti wara l-istess plejer falla l-mira minn qagħda ideali.

Fit-33 minuta, l-Ungerizi fethu l-iskor meta minn azzjoni ta' corner, il-Maltin naqsu milli johorġu għall-offside biex

Robert Feczsesin thalla żmarkat wahdu u gheleb lil Haber bir-ras.

Fil-bidu tat-tieni taqsimha, l-Ungerija komplew fejn hallew qabel il-mistrieħ b'Haber iwettaq diversi saves fuq Attila Filkor, Daniel Tozser, Roland Juhasz u Zotlan Gera. Izda fit-78 minuta ma seta' jagħmel xejn wara li d-debuttant Udochukwu Nwoko kkommetta foul fuq Akos Buszaky barra l-kaxxa u mill-istess freekick DANIEL TOZSER skorja ġmiel ta' goal mgħejjun mill-wieqfa li halla lil kulhadd jammira dan il-kapolavur.

Fil-hin miżjud, il-goalkeeper Malti salva goal ċert meta Akos Buszaky pprova jdur miegħu qabel ma jixhet fil-lasti iżda Haber antiċipah fil-hin billi ntxehet f'saqajh u ħataflu l-ballun qabel ma kien se jikkonkludi.

# Ir-reazzjoni Mal tasal tard wisq

Malta..... 2

Moldova..... 3

It-tim Malti wera karattru fit-telfa ta' 3-2 kontra Moldova, valida mill-preliminari tal-Euro 2008 liema loghba kienet determinanti ghal min jispiċċa fl-ahhar post.

Dan minhabba li wara li dahal jistrieħ fi żvantaġġ ta' tliet goals, fit-tieni taqsima qasam il-loghob ma' l-avversarji u skorja żewġ goals li, iżda, din ir-reazzjoni waslet tard wisq.

Fl-ewwel taqsima spikkaw iż-żewġ deċiżjonijiet kontroversjali tar-referee mill-Ukrajna, Igorj Ishchenko, li fihom skurjaw l-avversarji taghna bil-konsegwenza li ddemoralizzaw lill-Maltin u kkundizzjonaw il-prestazzjoni taghhom.

## L-AHJAR AZZJONIJIET

23 min (0-1) – B'sorpriza ghal kulhadd ir-referee saffar ghal penalty favur Moldova meta Luke Dimech u Alexandru Gatcan dahlu għall-ballun b'dan ta' l-ahhar jispiċċa ma' l-art, fil-kaxxa Maltija, minghajr ma jaghmel kuntatt mal-player Malti. Mill-11-il metru IGOR BUGAIOV ma żbaljax.

31 min (0-2) – Deċiżjoni harxa hafna meta minn pożizzjoni ta' offside VIOREL FRUNZA rdoppja ghal Moldova wara li rċieva minghand Alexandru Gatcan. Kienu inutli l-protesti legġittimi tal-Haber.

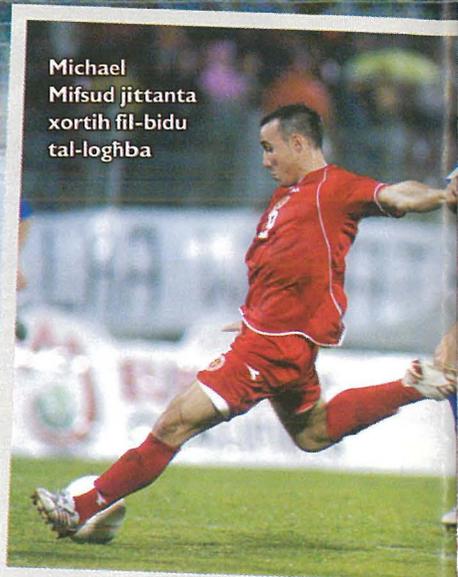

34 min (0-3) - Minn clearance ta' Moldova, id-difensur Malti Ian Azzopardi deher li se jantiċipa l-ballun minghajr wisq problemi iżda sfortunatament żelaq biex VIOREL FRUZNA approfitta u bil-kalma kollha gheleb lill-goalkeeper Malti, Justin Haber.

72 min (1-3) – Wara li Jamie Pace rebah ballun f'nofs il-ground, għadda lejn is-sostitut TERENCE SCERRI li minn qagħda ideali dahhal lill-Maltin fil-partita.

83 min (2-3) – Il-Maltin inghataw penalty meta Andrew Cohen twaqqa' fil-kaxxa avversarja minn Serghei Stroenco biex MICHAEL MIFSUD xeħet lil Serghei Pascenco fuq in-naħa l-hażina.

86 min – Victor Golovatenco ntwerat-tieni karta safra u tkeċċa iżda ma kien fadal hin biex il-Maltin setgħu jsalvaw il-partita.

# Fil-limiti tagħna l ċerti obbjettivi... ...Dusan Fitzel

Matul dan ix-xahar spikkaw il-logħob mill-preliminari tal-Euro 2008 fejn Malta lagħbet kontra l-Ungerija (0-2), f'Budapest, fit-13 ta' Ottubru u kontra l-Moldova, f'Ta' Qali, erbat ijiem wara.

Il-magazine SPORTIV irnexxielu jiltaqa' mal-coach nazzjonali ta' Malta, iċ-Ċek Dusan Fitzel, u f'intervista qasira qasam il-hsibijiet tiegħu dwar ir-responsabbiltà u l-impenn li għandu f'din il-kariga kif ukoll x'jahseb dwar il-logħba domestika u l-progress li ra matul dawn ix-xhur minn mindu għamel id-debutt, fi Frar, 2006.

## *Kif tiddeskrivi lilek innifsek?*

F'Malta n-nies jafuni bhala l-coach nazzjonali. Bla dubju jien persuna li għandi passjoni kbira għall-football u nhobb il-logħba. Izda hemm affarijiet ohra li fil-hajja joghgbuni izda għall-Maltin irrid nibqa' bhala l-coach nazzjonali.

## *X'kont taf fuq Malta qabel ma ġejt fostna u x'esperjenzajt fil-kariga tiegħek?*

Prattikament ma kont naf xejn fuq Malta. Kont naf biss li hija gżira f'nofs il-Mediterran u li hija attrazzjoni kbira turistika bi klima shuna hafna.

Naf ukoll li Malta kienet ostaklu kbir għar-Repubblika Ċeka f'bosta mil-logħbiet kompetittivi tal-pasat.

Inni hawn kwazi sentejn naħdem fil-kariga ta' coach nazzjonali u għaldaqstant naf hafna aktar dwar il-kultura u t-temperament tal-Maltin.

## *Għaliex aċċettajt l-offerta ta' l-MFA għal din ir-responsabbiltà (u tibda mill-ġdid) meta int kont issettiljat tmexxi b'suċċess lis-settur taż-Żgħażaġh ma' l-FA Ċeka?*

Kull bidu huwa diffiċli. Is-suċċess mhux proċess immedjat. Meta bdejt naħdem ma' l-Assoċjazzjoni Ċeka ma kienx hemm team taż-Żgħażaġh daqstant b'saħħtu.

Infatti ma konniex ikkwalfikajna għall-edizzjoni finali tal-Kampjonati Ewropej ta' Taħt it-18-il sena.

Hassejt li kien hemm il-htieġa ta' ngaġġ ta' aktar coaches biex it-tagħlim ikun aktar dirett u li dawn il-players ikollhom l-attenzjoni kollha meħtieġa.

Bil-mod bdejna naħdmu fi sforz kollettiv. Ma kinetx faċli għax kull hidma għandha l-izvantagġi tagħha izda bil-koperazzjoni ta' kulhadd bdejna nibnu dan is-settur.

## Intervista minn Björn Vassallo

Illum inhares lejn din l-isfida u l-kontribut tiegħi b'sodisfazzjon kbir minhabba li l-assocjazzjoni Ċeka qed tgawdi l-frott ta' dak ix-xogħol.

*Fil-bidu tal-kariga tiegħek int kont xi f'it settiku dwar it-team Malti meta kont għedt li ma tahsibx li se jkollok l-aħjar team u l-aħjar players għad-dispożizzjoni tiegħek. Għedt ukoll li stajt tiġġudika lill-players fuq il-prestazzjonijiet tagħhom meta jkun taħt pressjoni. Illum għadek bl-istess idea?*

Irridu nammettu li l-kampjonat Malti mhux ta' livell għoli. Dan il-fatt jagħmilha diffiċli għall-coach nazzjonali biex jistudja u janalizza l-wirjiet tal-players.

Meta niġi biex naghzel player, jien indum insewgi l-progress tiegħu sakemm nahseb li jista' jilhaq il-livell internazzjonali. Wiehed irid iqis ukoll li l-għażla hija wahda limitata hafna minhabba li l-kampjonat Malti huwa wiehed zghir.

Iva, meta rajt il-kampjonat Malti jintlagħab għall-ewwel darba bdejt nithasseb minhabba li jien imdorri f'livell għoli ta' football. Izda meta bdejt nambjenta u nissettilja fil-logħba Maltija biddilt il-mentalità tiegħi għax quddiem kelli sfida ġdida.

Illum l-istorja hija differenti kif kulhadd jaf. Fil-limiti tagħna lhaqna ċerti obbjettivi. Izda l-importanti hija li nissilt ċertu dixxiplina fil-players li min-naha tagħhom irreciprokaw tajjeb, tant, li għandi relazzjoni tajba hafna magħhom.

## *X'inhu s-sigriert li bih irnexxielk tmisiel il-mentalità rebbieha fost il-players tagħna?*

L-ewwel nett trid turi lill-players tiegħek li għandek fiduċja fihom biex tirbah ir-rispett tagħhom.

Jekk xi hadd jahseb li l-irwol ta' coach huwa biss li jsaffar is-suffara waqt it-tahrig u li jagħzel it-tim għal-logħob huwa żbaljat.

Bhal kull coach iehor jien naħdem sebat ijiem fil-ġimgha. Naf li għandi rwol x'naqdi u nipprova nagħmel dan bl-aktar mod sublimi.

# haqna

Il-players huma konxji ta' dan u ghaldaqstant jikkoperaw hafna mieghi. Huma jafu li r-responsabbilta tiegħi m'hijix wahda faċli u kull meta jkun hemm xi problema niddiskutuha flimkien u dejjem lest li anke nisma' għall-parir tagħhom. Għaliex le?

Flimkien bnejna mentalità rebbieħa għax waqt it-tahriġ il-players juru l-professjonalità tagħhom billi huma dixxiplinati u joqogħdu attenti għal kollu li jkun qed jingħad.

Barra minn hekk nanalizzaw kull partita flimkien u niddjalogaw biex dejjem intejbu l-prestazzjonijiet tagħna.

B'hekk illum il-players qed jifhmu dak li rrid minnhom.

## *X'differenza tara bejn il-players Maltin li jilagħbu barra l-pajjiż għal daww li jilagħbu fil-kampjonat domestiku?*

Hemm differenza kbira minhabba li l-players Maltin qatt ma lagħbu flivell professjonali jew inkella jeżistu ftit players Maltin li huma semi-professjonali.

Meta jmorru jilagħbu f'xi pajjiż iehor se jsibu l-hajja kompletament differenti minhabba li l-hajja tagħhom tkun koncentrata biss fuq il-football, minn fil-ghodu sa fil-ghaxija. Barra minn hekk jilagħbu wkoll kontra avversarji ta' kwalità u livell għoli.

Kif jaf kulhadd il-hajja tal-player Malti tikkonsisti f'sagħtejn u nofs taħriġ kuljum matul il-gimgha minhabba x-xogħol personali tagħhom.

Nista' ngħid ukoll li daww il-players li jilagħbu barra l-pajjiż isiru aktar dixxiplinati u aktar tekniċi.

## *X'qed jagħmel Dusan Fitzel, bħala d-direttur tekniku ta' l-MFA, biex jgħin aktar iżgħażaġħ imorru jilagħbu barra l-pajjiż?*

Dan huwa l-objettiv tiegħi. Matul din l-aħħar sena għamilna progress kbir minhabba li żdieđu daww il-players li hallew xtutna biex ingħaqdu ma' clubs barranin.

Fejn qabel kien hemm Michael Mifsud u Andrei Agius, issa marru jilagħbu wkoll Andre Schembri, Justin Haber, Luke Dimech, Udochukwu Nwoko u dan l-aħħar smajna wkoll li Daniel Bogdanovic ingħaqad ma' team fl-Italja.

Nemmen li jeżistu players fil-kampjonat Malti li huma kapaċi li jimxu fuq l-istess passi għax jippossjedu potenzjal għoli fil-logħob tagħhom.

## *Taħseb li l-futur taż-Żgħażaġħ Maltin għandu jkun wieħed interessanti?*

Iva. F'dan il-qasam bdejt naħdem bħala direttur tekniku fejn hloqna reġjuni bil-ghan li ntejbu n-Nurseries.

Bħalissa qed naħdem fuq pjan biex nikkoordinaw gruppi partikolari ta'

players ta' etajiet differenti li jkopru minn hamsa sa seba' snin u minn temjenja sa disa' snin biex jitqiegħed il-pedament.

Barra minn hekk qed jithejja pjan għall-coaches biex jingħataw għajnuuna teknika fit-tmexxija tat-timijiet ta' dawn in-Nurseries.

Ma jfissirx li l-coaches mhumix tajbin. Anzi kull coach huwa speċjali u għandu l-karatteristiċi tiegħu kif imexxi lill-players tiegħu iżda kull għajnuuna hija tajba.

## *Fil-karriera tiegħek int lghabt fil-kampjonat Ċiprijott. Kif tikkompara l-kampjonat Malti ma' dak barrani?*

Iva, 15-il sena ilu kont nilgħab fil-kampjonat Ċiprijott.

Il-kampjonat Malti mhuwix ta' l-istess livell. Dak barrani huwa aktar tekniku u aktar veloci. Anke s-sistema hija differenti. Fil-logħba Maltija kien jintuża l-libero iżda issa qed tinbidel il-mentalità u qed tintuża s-sistema ta' 4-4-2.

## *L-aħjar riżultat li t-team nazzjonali Malti qatt kiseb kien taħt it-tmexxija ta' Pippo Psaila. Iżda int se tibqa' tissemma' li ksibi l-aktar ammont ta' punti kompetittivi. Taħseb li t-team nazzjonali diehel f'era ġdida?*

Naħseb li l-isforz kollettiv tagħna l-Maltin fil-kompetizzjoni tal-Euro 2008 huwa kkundisrat bħala l-ewwel targa li tista' ddahhalna f'era ġdida.

Dan għaliex minn mindu t-team Malti ilu jiehu sehem fl-oġġettiv kompetittivi qatt ma rnexxielu jikseb hames punti. Anzi, nazzarda ngħid li bi ftit aktar attenzjoni setgħu kienu aktar.

Ta' sodisfazzjon kbir ukoll ngħid li skurjajna bosta goals u dan ifisser li qed nilagħbu football offensiv u attraenti minkejja li ahna llimitati aktar minn haddiehor.

Jekk nibqgħu nżommu l-istess ritmu nemmen li l-futur se jkun wieħed pożittiv.

## *Il-president ta' l-MFA, Dr. Joe Mifsud, kien qal li l-objettiv ewlieni huwa li ma nispiċċawx fl-aħħar pożizzjoni fi Grupp Ċ fil-preliminari tal-Euro 2008. X'inhuma ċ-ċansijiet tagħna?*

Dan huwa grupp diffiċli għalina. Nista' ngħid li ninsab kument għax f'kull partita l-players obdeu id-direttivi tiegħi.

Kien hemm bosta logħbiet li lghabna daqs u aħjar mill-avversarji u spicċajna biex ma rbahnix. Iżda l-wirjiet dejjem kienu sodisfaċenti minbarra daww ta' kontra n-Norveġja u l-Bosnja.

F'dan l-istadju kulhadd jixtieq li ma nispiċċawx fl-aħħar post. Iżda wieħed lrid jagħti mertu kbir lill-players Maltin għall-ammont ta' punti li kisbu - xi haġa li qatt ma saret qabel.

## *Kif tiddekrivi lill-partitarji Maltin li int irbaħt ir-rispett tagħhom?*

Fl-ewwel partita tiegħi bħala kowċ nazzjonali, dik kontra l-Moldova (0-2), fil-25 ta' Frar, 2006, fil-Malta International Tournament, ma kienx hemm aktar minn 1,000 partitarju jassisti għal din il-logħba.

Illum nista' ngħid li l-attenzenza fl-Istadium Nazzjonali qed tikber b'mod konsiderevoli għax il-partitarji Maltin qed jaraw lill-players tagħna jilagħbu b'passjoni u mill-qalb. Barra minn hekk qed jaslu r-riżultati bil-konsegwenza li hemm relazzjoni tajba bejn il-partitarji u t-tim nazzjonali.

## Kummenti wara Malta v Moldova

## Dak it-tielet goal...

Hsibna li kienet geġja wahda minn dak il-granet hżiena. Mhux għaliex f'Ta' Qali ma darrewniex għalihom, iżda dan l-aħhar konna qegħdin nitilghu u niehdu pjaċir naghmlu daqsxejn storbu u ngibu r-rizultat. U għax mal-Moldova bħal donnu ppretendejna bi dritt li nerġgħu naghmlu hekk.

Imma ta' nhar l-Erbgħa dehret li ser tkun storja differenti hekk kif bdiet tinbena arja ta' diżappunt għax goal wara l-iehor il-pretensjonijiet tagħna li ahna ahjar minnhom bdew jiehdu majnata wara l-ohra. Madwari dak il-hin kelli xi ghoxrin coach nazżjonali kulhadd jghid tiegħu fuq x'hemm hażin u min missu lagħab. Anke lil Gilbert Agius semmew.

Għax għidli f'tit x'jibqa' fik meta f'nofs siegħa tkun tlieta minn taht b'goal minn penalty li ma kienx, iehor minn offside li kien, u iehor minn żball li ma xtaqniex li kien. U bħal li kieku mhux biżżejjed ix-xita niezla kontinwa xxarrab in-nies. X'jibqa' fik?

Tibda tara kollox hażin. Tkun tixtieq li l-partita tispicċa dak il-hin u tikkuntenta bit-tliet goals għax tkun qed

tobsoor li geġ aghar. X'Milan – Liverpool hi? Hadd ma semmieha dak il-hin.

L-aqwa Maltin sa dan il-hin ma kienux fil-ground. Kienu dawk in-nies tal-*curva* mxarrbin għasra bla tinda fuq rashom li minkejja dan ir-rizultat pervers baqgħu wara l-Maltin. Tlieta minn taht u jghajjtu 'Ahna Warajkom'. M' ahniex imdorrijin b'pubbliku hekk. Is-soltu naghmlu f'tit storbu meta l-affarijiet jibdew geġjin sew biss.

Sakemm waslu l-goals tagħna u l-affarijiet bdew geġjin sew. U ż-żewġ goals kien fihom x'tomgħod l-ewwel u t-tieni. Mhux għall-gmiel tagħhom għax spettakolari ma kien hemm xejn fihom, imma l-aktar għas-simbolu u s-sinjifikat tagħhom. It-tnejn donnhom riedu jghdi xi haġa. Donnhom riedu jwaslu messagg.

Terence Scerri fl-azzjoni tal-goal kien ma' l-art u qam. Bħal donnu kien qisu qed jixgħel il-fjamma fil-players Maltin li kien wasal il-hin biex inqumu mill-art kollha flimkien. U bil-mod il-mod bdejna

geġjin. Bdejna nqumu sakemm wasal il-goal ta' Michael Mifsud li wkoll kellu messagg iehor, pjuttost differenti.

Banner imwabhla faċċata tagħna 'Michael Malta Kollha Warajk' forsi kienet tghaddi inosservata li kieku dan il-hsieb ma ġiex impoġġi għad-diskussjoni b'xi erba' rashom shuna jghidu li għalihom Michael kien spicċa. U ma kienux partitarji tal-Manchester United dawn!!

Pero' jekk xejn dawk il-Maltin li kienu f'Ta' Qali ma halaw l-ebda dubju li kollha kienu wara Michael għax mal-goal tiegħu l-ground sploda. U xtaqna aktar.

Xtaqna li l-partita ma tispicċa qatt. Ridna nibqgħu hemm sakemm niskurjaw iehor. Nixxarbu ma jimpurtax imma xtaqna goal iehor. Għax hu biss kien jonqos. Huma bdew jibzghu. Bdeu jahlu l-hin. Bdejna nsaffruhom. Bdeu jidhlu goff. Tkeccielhom player u minuta fuq il-hin kellna dak ix-xutt ta' George Mallia... konna diġà ser nogħlew.

Dak it-tielet goal biss kien jonqos...

# Floriana u Sliema W. mill-ġdid fil-quċċata

Jekk ikollok tistaqsi lill-players tal-Premier tagħna jekk jiftakrux klassifika tal-football Malti bi Sliema u Floriana fil-quċċata żgur li ser jghidulek le. U ma tihomx tort. Għax hafna minnhom la jiftakru l-Istadium tal-Gżira, la l-logħob fuq ir-ramel, la lill-Arcisqof Gonzi, la lil Mintoff u lanqas lil Borg Olivier. Daqshekk ilhom ma jkunu fuq quddiem flimkien Sliema u Furjana. Biżżejjed ngħidu li Brian Said, wiehed mill-veterani tal-Premier u li skorja l-goal li bih Sliema telgħu ma' Floriana fil-quċċata, meta tlaqna mill-Istadium tal-Gżira lejn Ta' Qali kellu xi sitt snin.

Sa dan il-goal ta' Said, Sliema wkoll deheru snin 'il bogħod milli jiskurjaw. Fil-fatt l-uniku xutt perikoluż tagħhom fil-last ta' Marsaxlokk kien wasal mid-difensur Xlukkajr Templeman, bil-goalkeeper siehbu Debono jdawwarlu f'corner mghejjun mil-last back-pass dirett lejn ir-rokna ta' fuq tax-xibka. Għall-inqas wara l-goal pero' il-partita qamet u assistejna għal 45 minuta pjaċevoli li nehewlna t-togħma hażina

ta' ġurnata qabel.

Għax is-Sibt xejn ma hadna gost. L-ewwel bdejna bi Pietà-Mqabba li kienet lesta, mirbuha u midfuna bi tliet goals ta' Pietà fl-ewwel kwarta u warajha kien hemm il-Belt u l-Hamrun li bdiet tiġi minfuha bhala l-partita li kellha tfakkarna fis-snin tmenin. Izda 'O żmien helu kif għaddejti'. Konna mitt sena dawl 'il bogħod minn dawk iż-zminijiet.

Għax tghid mill-ewwel tawna indikazzjoni ta' x'konna ser naraw. Emmnu jekk tridu imma wara biss sekonda l-Belt ippruvaw jiskurjaw dirett mill-kick-off. Mhux b'xi azzjoni maħsuba u maħduma mill-ground tas-Salinos imma b'xutt dirett minn nofs il-ground ta' Monesterolo f'dik li dehret qisha ċajta bejn il-hbieb li hasbuha fid-dressing room qabel ma harġu jilagħbu. Darba lil Hubert Suda kont rajt jiskorja hekk f'Santa Lucia f'logħba tal-U/16 bejn is-Sliema u l-Belt. Kienu għadhom tfal. U niftakar anke ahna meta konna għadna tfal nilagħbu fit-triq konna nippruvaw niskurjaw minn nofs il-ground. Patetiku.

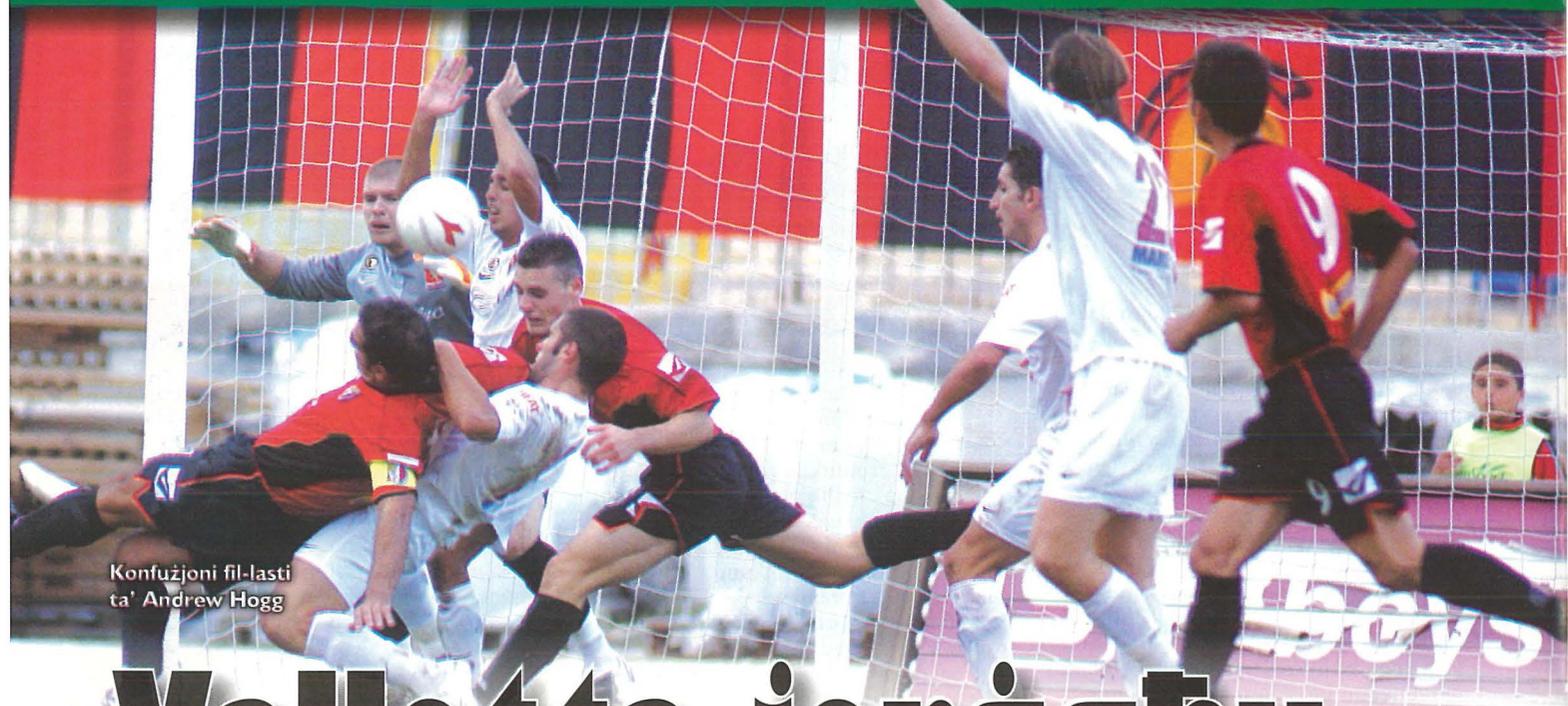

Dan Monesterolo għandu habta jdahhaq. Man-nofs siegħa logħob f'nofs il-kaxxa ta' l-Ispartans ikkontrolla l-cross b'sidru u meta mar biex jixxuttja ma

laqatx il-ballun, inqata' fl-ajru u niżel għal dahrhu ma' l-art. Affarijiet ta' Mai Dire Gol. Komiku.

Forsi għax dan hu l-kampjonat tagħna. Patetiku u xi kultant jaqleb għal komiku. Wara kollox sena wara sena niġu xkanati 'l barra mill-preliminari tal-preliminari tat-Tazzi Ewropej. Mhux ta' b'xejn l-aqwa players tal-kampjonat tagħna jfittxu band'ohra – jiġi min jiġi quddiemhom. L-aqwa skoror tal-kampjonat Malti qiegħed ma' team tas-Serie C2 fl-Italja, Dimech mar fir-Raba' Diviżjoni ta' l-Ingilterra u André Schembri fit-Tielet Diviżjoni Ġermaniża.

Kollha ppreferew li jmorru jilagħbu ma' timijiet patetiċi minflok jibqgħu ma' Marsaxlokk – fil-mument l-aqwa team li għandna f'Malta.

Partitarji Hamrunizi jattendu bi fġarhom

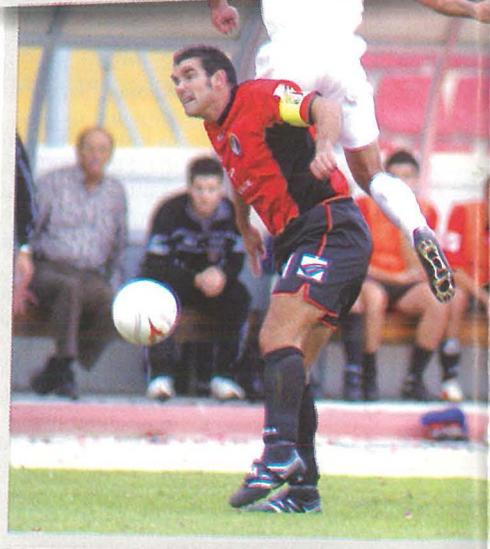

Valletta, wiehed mill-isfidanti ewlenin għar-rebħ tat-titlu minhabba l-akkwisti li għamlu matul is-sajf li għadda, reġġu ddiżappuntaw meta kontra Hamrun Spartans setgħu jispicċaw biss fi draw ta' 0-0.

Dan ifisser li minn seba' hargiet huma kienu qed jirreġistraw it-tielet draw, b'żewġ rebħiet u żewġ telfiet.

Min-naha ta' Hamrun Spartans, dawn jidhru fpożizzjoni li jistgħu jehilsu miż-zona tar-relegazzjoni jekk jibqgħu juru l-istess konsistenza u ritmu.

F'din il-partita bejn dawn iż-żewġ rivali antiki, l-attakkanti rispettivi f'it ingħataw spazju minkejja li Alfred Effiong (Hamrun Spartans) u Frank Temile (Valletta) kellhom il-mumentu tagħhom.

Iżda, kollox ma' kollox, ir-riżultat kien wiehed gust għalkemm il-Beltin ma tantx kienu kuntenti bl-eżitu tiegħu minhabba li jinsabu seba' punti taht il-leaders.

# Hibernians jirbħu goals lejn it-tmiem

It-team ta' Hibernians

Hibernians telghu fil-quċċata tal-klassifika b'punti massimi minn żewġ partiti meta, fil-logħba tal-gimgha, huma għelbu lil Birkirkara bl-iskor ta' 2-0 liema goals ġew skurjati fl-aħħar 12-il minuta. Din kienet it-tieni rebħa tal-Pawlisti fuq il-Karkarizi fi spazju ta' 13-il ġurnata meta fl-ewwel jum ta' l-istaġun huma harġu rebħieħa

bl-iskor ta' 3-0 fis-Super Cup.

F'din il-partita kienu Birkirkara li harġu tajjeb u proprju fl-ewwel minuta huma kienu sfortunati li ma fethux l-iskor meta t-tentattiv ta' Stephania Farrugia habat ma' sieq il-lastu u spiċċa barra.

Fl-14-il minuta huma ingħataw penalty meta l-ballun deher jahbat ma'

id Claire Sciberras iżda mill-11-il metru Rachel Cuschieri falliet kompletament il-mira. Birkirkara xorta waħda baqghu l-aħjar team matul l-ewwel taqsimu iżda ma setgħux isibu t-triq lejn ix-xibka avversarja.

U dak li ma għamlux il-players ta' Kenneth Costantino għamluh il-Pawlisti fit-tieni taqsimu. Kienu team

# Xewkija T. jirkupraw tajjeb mill-ahhar telfa

Xewkija Tigers irnexxielhom jirkupraw mill-ahhar telfa li hadu meta bi tliet goals f'kull taqsima ghelbu lil Gharb Rangers biex issuperawhom fil-klassifika u issa jinsabu fit-tieni post. Protagonista ghalihom kien Christian Bugeja li fi spazju ta'

tliet minuti skorja trippletta biex nistghu nghidu li waqqaf record ghal football Għawdxi. Kif jindika l-iskor it-Tigers fit hallew dubju dwar is-surpemażija tagħhom. Min-naħa ta' Għarb din kienet it-tieni telfa konsekuttiva.

# Malta titlef bi 3 goals fl-ewwel taqsima

F'partita ta' hbiberija Malta sfat meghluba minn Moldova bl-iskor ta' 3-0 liema goals gew skurjati kollha matul l-ewwel taqsima. Quddiem attendenza numeruza, il-Maltin nizlu bi pjan ta' konteniment u wrew spirtu kumbattiv matul il-partita kollha fejn kellhom ukoll il-mumentu taghhom.

Moldova ma setax ikollhom bidu ahjar meta wara biss zewg minuti huma fethu l-iskor minn IAROSLAV SUBBOTIN li b'xutt fil-baxx gheleb lil Bjorn Vassallo. B'dan il-goal vantaġġ l-avversarji taghna kibru fil-kunfidenza fejn urew ukoll teknika kbira fil-loghob taghhom u f'temp ta' hames minuti l-captain taghhom, OLEG HILOTII, skorja darbtejn fl-10 u fil-15-il minuta biex ta vantaġġ ta' tliet goals lit-team tieghu.

Jekk forsi kulhadd antiċipa li l-Maltin kienu se jikkrollaw huma kellhom hsbijiet ohra minhabba li bdew jaqsmu l-loghob ma' l-avversarji izda bdew isibuha diffiċli jippenetraw it-triq ghax-xibka avversarja.

L-ahjar cans ghall-Maltin wasal zewg minuti qabel il-mistrieħ izda minn taht il-lasti Nicky Bilocca falla l-mira.

Minkejja din it-telfa, kollox ma' kollox il-Maltin kellhom prestazzjoni sodisfacenti li ghenet biex tinkiseb aktar esperjenza fix-xena internazzjonali.

# L-istorja tal-Football Malti... kif qatt ma rajtuha qabel!

minn **Tonio Farrugia**

**Fredu Preca (Floriana)**

**Tony Nicholl (xellug) u warajh Salvinu Schembri (Sliema Wanderers)**

Kellna fit minn kollox. Kellna kampjonati mirbuha b'punti massimi, ohrajn mirbuha fl-ahhar loghba, ohrajn b'decider, kampjonati ohra mirbuha fuq il-mejda. Rebh u glorja, telf u disperazzjoni, ġlied, inkwiet, protesti u sospensjonijiet. Din hi l-istorja twila, romantika u sabiha tal-football Malti. Minn hawn ser nghixuha ġurnata b'ġurnata, loghba wara loghba, goal wara goal.

Ser nipprezentawlkhom l-istorja tal-football Malti kif qatt ma rajtuha qabel. Ser naghtukhom kull rizultat, kull goal, kull penalty, kull tkeċċija. Kull dettall possibbli. Dak kollu li tixtiequ tkunu tafu fuq il-kampjonati ta' Malta ser tiehduh minn hawnhekk.

Nghidulkom li biex wasalna biex ipprezentajna dan ix-xoghol ta' riċerka ma kinetx faċli. Hadna sigħat twal, ġimġat, xhur u snin ta' riċerka. U l-gazzetti tal-epoka – minkejja li kienu ta' ghajnuna – ma kienux biżżejjed biex nohroġu b'dan il-prodott finali.

Tkellimna man-nies li għexu f'dawk iż-żminijiet, li lagħbu f'dawk il-logħbiet. Magħhom tkellimna u minghandhom hadna rakkonti, ismijiet u laqmijiet, u grajjiet li ma hargu fuq l-ebda karta stampata .....qabel illum.

Stajna bdejna mill-ewwel kampjonat fl-istorja – dak tal-1909-10 – iżda minflok għażilna li nibdew mill-ewwel kampjonati ta' wara l-gwerra. Ir-raġuni hi sempliċi. Hafna nies illum mimlijin bl-ġhomor għexu dawn iż-żminijiet u lagħbu f'dawn il-logħbiet. Kienu preżenti u jiftakru dak li ser ngħidu. M'ahniex ser nitraskuraw dak li ġara qabel il-gwerra pero'. Kull tant żmien ser nidhlu fuq dawk il-kampjonati wkoll. Iżda għalissa ser nibdew hekk.....

## IL-KAMPJONAT MALTI 1944-45

L-ewwel kampjonat ta' wara l-gwerra kien mistenni li jibda fl-ewwel ġimġa ta' Novembru 1944 iżda minhabba nuqqas ta' ftehim li nqala' bejn Carmelo Scicluna (Is-Sur Meme') proprjetarju ta' l-Istadium fuq naha, u l-MFA fuq in-naħa l-oħra, il-bidu tal-kampjonat waqa' xi xhur lura. Id diżgwid inholoq wara li s-Sur Meme' ma' aċċettax il-proposta tal-MFA li jiehdu 40% tal-gate money.

B'ritaljazzjoni għal dan l-MFA ma tatx permess lill-clubs tagħha biex jilagħbu logħob ta' esibizzjoni jew ta' hbiberija fl-Istadium, biex b'dan il-mod taqta' kull qliegħ li l-Management ta' l-Istadium seta' jagħmel mill-gate money, bl-uniku eċċezzjoni jkunu l-logħob tal-Poppy Day Fund minhabba l-għan filantropiku tagħhom.

L-irjus irtabu u l-ftehim intlaħaq hekk kif ġie elett Kunsill ġdid tal-MFA taħt il-Prezidenza ta' Dr. M. Caruana Curran. Sadanittant konna wasalna f' Jannar u

# Aħbarijiet

1. Minhabba d-dizastru ta' żmien il-gwerra il-player Pawlu 'Iz-Żibġa' Friggieri tilef il-kollezzjoni kollha tal-unuri li kien rebah fil-football meta d-dar tiegħu waqgħet wara li ntaqgħet mill-bombi tal-ghadu. B'kollox tilef 26 midalja bejn rebh ta' Kampjonati, Cassar Cup u xi tazzi ohra.

2. Xi players li mietu matul il-gwerra kienu Debono, l'outside right veteran ta' Hamrun Spartans, li kien miet fl-1942 waqt attack fuq l-ajruport ta' Hal Luqa. Fost dawk li helsuha mill-mewt dak in-nhar kien hemm A/Petty Officer Tony Debatista (hu Lolly Debatista) li kien lagħab ma' Tigers FC ta' Floriana fl-aħħar kampjonat ta' qabel il-gwerra. Il-famuż player ta' Floriana FC, l-Awstrijak ta' dixxidenza Lhudija li aktar tard kien sar player-coach ta' Melita FC, Leo Drucker, hu magħruf li kien spicċa prigunier f'kamp tal-konċentrament iżda ma kienx hemm aħbaru iktar bil-probabilita' hi li kien inqatel. Ohrajn li mietu tul il-gwerra kienu Lt. E. Bartolo u l-Engineer V. Ungaro ta' Melita FC. Jack Herbert 'Ta' Sosa', li lagħab il-football hawnhekk fis-snin ghoxrin ma' Floriana FC, u li kien irtira mal-familja tiegħu fl-Ingilterra, kien miet waqt il-hbit mill-ajru f'Chatham fil-blitz ta' Londra, filwaqt li r-referee popolari

Sergeant Jones tad-Devon Regiment, wiehed mill-aħjar uffiċjali li kellna qabel il-gwerra, kien inqatel fi Sqallija. Ma' dawn wiehed ma jridx jinsa iżid it-telfa tragika ta' Salvo Sammut l-Għargħawri' li fil-11 ta' Novembru 1943 f'Paola Hill huwa u ġej lura mix-xogħol kien baqa' diehel bir-rotta fi trakk tas-Servizzi u miet f' Bugeja Hospital kmieni fil-ghodu tat-23 ta' Novembru 1943, fl-eta' ta' 28 sena. Miegħu f'dawk l-aħħar mumentu kien hemm it-Tabib Maurice Decesare, habib tiegħu u player tal-Wanderers huwa wkoll.

3. Fix-xahar ta' Settembru 1944 il-football lokali tilef wiehed mill-protagonisti tiegħu meta halliena Peppinu Brincat 'Il-Forfor'. Huwa kien diġa' irregistra biex jilgħab ma' Sliema Athletics f'dan l-istaġun. Peppinu, hu Fredu, qabel il-gwerra kien full-back popolari li kien beda l-karriera ma' Hamrun Spartans qabel sieheb lil Hibernians FC, Valletta United u Sliema Wdrs fost l-ohrajn. Sliema, l-aħħar club tal-Forfor, kellhom jilgħab bil-faxxa sewda fl-ewwel partita tagħhom f'dan l-istaġun meta kellhom jiltaqgħu fi friendly kontra n-Navy fl-Istadium fit-8 ta' Ottubru 1944. Madankollu din il-partita kienet thassret minhabba l-inkwiet bejn il-Management ta' l-Istadium u l-MFA li semmejna f'parti ohra ta' din il-paġna.

4. Players ohra li waqfu hesrem mill-football kienu Duminku Borg 'Is-Sulina', il-left half-back ta' Valletta FC, li kien inghata parir mediku biex jieqaf mil-logħba u George Bond li kien halla Malta wara li spicċa mis-Servizz. Bond, li kellu karriera ta' suċċess ma' Milwall fl-Ingilterra kien ġie Malta f'nofs is-snin tletin u lagħab il-football ma' Floriana FC u Sliema Wdrs fejn rebah il-kampjonat Malti maż-żewg clubs.

5. Aktar attrazzjoni intilfet mill-kampjonat lokali hekk kif l-MFA avzat lill-clubs tagħha li kienet irċeviet avviz minghand l-Armata illi l-players tas-Servizzi mwielda l-Ingilterra ma setgħux jiġu rreġistrati ma' clubs lokali. Qabel dan kollu, l-MFA kellha regola numru 40 li kienet tgħid li l-clubs setgħu jirreġistraw tliet players tas-Servizzi mwielda l-Ingilterra u li minnhom setgħu jilgħabu biss tnejn. B'dan il-mod il-logħba tilfet players tal-kalibru ta' John Heatley, Ernest Mee, Robert Mitchell, Joe Austin, Tom Wyllie u l-ex player ta' Manchester United u Sheffield United Richard 'Dick' Gardner. Dawn il-players kollha kienu lagħbu u hallew impressjoni tajba mal-clubs lokali waqt il-kompetizzjoni tal-Malta Cup u l-Cassar Cup tal-istaġun ta' qabel.

peress li ż-żmien kien daħal kien hemm dubju kemm il-kampjonat kien ser isir, u jekk kien ser isir, kemm kien ser ikun wiehed ta' malajr.

Fil-fatt kien ġie deċiż li jsir kampjonat b'round wiehed u li kellu jintlagħab kollu fix-xahar ta' Frar. Applikaw biss St. George's FC, Melita FC, St. Joseph FC tal-Imsida u t-team ġdid ta' Valletta FC, li kien tieweled mill-ghaqda bejn is-St. Paul's u l-Prestons, u li kien diġa' wera xi jsarraf bir-rebh tal-Malta Cup sena qabel.

Sar sforz biex jikber l-interess u Sliema u Floriana ġew mistiedna biex japplikaw ukoll. Dawn finalment tefgħu l-applikazzjoni tagħhom fejn żammew l-isem insolitu li kienu bdew jużaw matul il-perjodu tal-gwerra, jiġifieri dak ta' Sliema Athletics u Floriana Athletics minflok l-isem tradizzjonali ta' Sliema Wanderers u Floriana FC.

Minhabba li issa kienu żdiedu t-timijiet kien jinhtieg li jintlagħbu xi partiti preliminari sabiex jiġu eliminati it-timijiet żejda u l-kampjonat jibqa' wiehed qasir bejn erba' timijiet. Kellhom jintlagħbu tliet partiti preliminari. Ir-rebbieħa

kellhom jgħaddu awtomatikament u r-raba' team kellu jintgħazel minn bejn it-tliet telliefa.

Dawn il-preliminari ntlagħbu fl-aħħar Sibb u Hadd ta' Jannar 1945 u rrizultaw hekk:

# Dimensjoni oħra lil Football Malti

**melita**sports

**minn Mark A Muscat**

Kienet ilha tberren l-idea fil-kuritur ta' Melita Cable biex, hekk kif nuru l-logħob tal-futbol barrani, xi darba naslu li jkollna s-setup ideali biex nitrasmettu live l-aqwa logħob tal-futbol Malti. Meta bdew id-diskussjonijiet kien hemm qbil li jekk dan isehh, il-prodott finali kellu jkun ta' l-għola livell.

Bix-xieraq it-timijiet tal-Floriana u tas-Sliema immarkaw id-debutt, u bil-mod il-mod warajhom ġew it-timijiet l-oħrajn. Il-livell ta' rapportaġġ beda joghla minn logħba għal oħra, speċjalment meta' bdejna nirċievu messaġġi u suġġerimenti minn kull qasam tal-media u mingħand it-tele spettaturi nnifishom.

L-attenzjoni kien fuq setup ta' madwar disa' cameras f'pożizzjonijiet ideali madwar il-grawnd biex il-logħba tkun tista' tinqabad bl-aħjar mod possibli. Kien hemm hafna hsieb fuq ir-repetizzjonijiet minn angoli diversi, u ridna wkoll li l-grafika tkun ta' livell għoli hafna. L-element live jippermetti kummenti mingħand nies li huma involuti direttament, u jiġbed interess mid-dilettant sportiv li jkun qiegħed jistenna bil-herqa dak li l-benjamini tiegħu jikkumentaw, kemm qabel kif ukoll wara l-partita.

Ġurnalist sportiv, issa stabbilit fix-xena tal-futbol lokali, ingħata f'idejha il-produzzjoni u l-kummentarju ta' dawn il-logħob. L-analiżi teknika minn coach ikkwalifikat tagħmel il-kummentarju komplut, minhabba li xi tibdiliet, kemm ta' tattika kif ukoll dawk tekniċi,

jigū spjegati kif hemm bżoġġn lit-tele spettaturi. Persuna oħra isfel mat- "touchline", li tmis u tara dak li qed jigrī, u li tispjega l-andament f'dawn l-partiti, tista' tgharraf lill-pubbliku b'mod dirett dak li qed isehh fir-rettanglu tal-logħob, speċjalment meta' jigū sostitwiti xi plejers minhabba li jkunu wegħhu. Ma jonqos ukoll statistika dwar it-formazzjonijiet involuti li jghawwru l-logħba. Il-produzzjoni professjonli minn Where's Everybody? hija ukoll punt pożittiv li jagħmel il-proġett komplut.

Dawn il-logħobiet huma l-aqwa riklam biex jitressqu nies lejn il-grawnd li rari jippartecipaw jew li tilfu l-interess fit-tim li kienu tant iħobbu. Il-briju tan-nies jidher aktar evidenti u jinstema' aħjar meta' jkun miġbud professjonalment, u dan iqnqal in-nies mill-kumdi' ta' djarhom biex ikunu parti minn dik l-ghajta.

Żgur mhux forsi li dawn il-logħobiet miġbudin b'dan is-setup għollew il-livell tal-football milgħub mill-

plejers, li bil-persjoni pożittiva tal-cameras qiegħdin jagħmlu iktar minn qatt qabel l-almu tagħhom biex jagħtu wirjiet aħjar. Filfatt, dawn il-logħobiet ikunu missielta u qiegħdin jigbru kotra ikbar għaliex in-nies indunaw li logħba li qed tiġi imxandra live hi garanazija li l-plejers ser jagħtu l-aħjar tagħhom.

Parti integrali mis suċċess tal-Melita Cable hija ukoll l-avventura li għaddej minnha it-tim nazzjonali Malti fejn f'kull konfront imxandar sar dak l-impatt neċessarju biex il-plejers jgħatu wirja denja f'kull logħba. Kienet ukoll għal ewwel darba li Melita Cable xandret logħba diretta live u b'kummentarju Malti minn ġewwa Chisinau, il-Moldova, fejn ukoll it-tim Malti kien ġab riżultat ta' draw. Dawn ir-riżultati żgur regħhu qajmu lid-dilettanti mil-apatija sportiva li kellhom għat-tim nazzjonali Malti li kull ma jmur qiegħed jregħa n-nies lejn il-grawnd ta' Ta' Qali. Għalhekk il-kumpanija dahlet bi hġara biex tgħin lill-grupp "South End Core" billi tipprovd slots pubbliċitarji u għajna varja oħra ta' Marketing u PR.

Id-dipartiment Melita Sports fi hdan Melita Cable qiegħed iħares il-quddiem u nieda proġett intern biex itejjeb il-kwalita' u l-livell ta' dawn il-programmi u xandriet tal-logħobiet u jagħti lura dak li jixraq lill-futbol Malti – rapportaġġ denju li jtejjeb il-livell ta' football li naraw ġewwa l-grounds tagħna! Wara l-waqfa ta' Novembru, Melita Sports mistenni jkompli jstabilixxi ruħu bħala servizz ta' l-għola kwalita' għas-servizz tad-dilettanti kollha tal-football Malti.

# Xi Smajna f'Replay?

Waqt il-programm tal-Ħadd li għadda f'Replay smajna ħafna affarijiet li qanqlu kurżita, hekk hu, fil-fatt ergajna smajna.....

Dwar il-każ ta' Victor Scriha li kien urtat wara l-kummenti ta' partitarji ta' Hamrun u kif ukoll wara li l-players ta' Hamrun kantaw kant fil-konfront tiegħu u skond hu hadd ma waqqafhom lanqas il-President. Victor Scriha ikkonferma ma' SPORTIV li hemm tlett klabbs li m'għandhomx għalfejn jitekellmu kontrieh, Hamrun huwa wiehed minnhom. Victor Scriha stqarr "Fil-fatt li kieku ma kontx jiena li għinathom finanzjarjament illum kieku qieghdin bil-bibien magħluqin u dan il-President ta' Hamrun jafu".

Din kbira, Juventus ser ikunu Malta u ser jilgħabu kontra Valletta. Tgħid veru? **Ergajna smajna li mhux Valletta ser iġibu lil ġganti Taljani u li nhar id-29 ta' Ottubru mistennija ssir Press Conference fejn ser jithabbru d-dettalji kollha ta' din il-mawra. Għal mistoqsija tagħna jekk hux minnhu li ser ikunu fostna, it-tweġiba kienet "żgur żgur".**

Loghba taħraq qed nistennew dalwaqt, Marsaxlokk kontra Valletta u dan wara li Robert Micallef mhux lest iċedi l-ebda player f'Jannar. Dan qalu wara kummenti dwar rapporti li Jamie Pace, Kevin Sammut u Cleaven Frendo ser iħallu l-iskwadra f' Jannar sabiex jingħaqdu ma' Valletta. Smajna li dawn il-players jitolqu biss f'każ li huma jagħmlu xi pressjoni biex iħallu t-team Xlukkajr. Min-naħa l-oħra l-President ta' Valletta ikkonferma dan "**Jiena għamilt wedgħa ma' Marsaxlokk li matul dan l-istaġun l-ebda player mhu ser iħalli lil klabb jekk mhux fuq insistenza tiegħu. Jiena raġel inżomm il-wegħdiet tiegħi u għalhekk mhux ser nagħmel pressjoni biex f'Jannar nakkwista players ta' Marsaxlokk**".

# Jikkonferma li champion denju

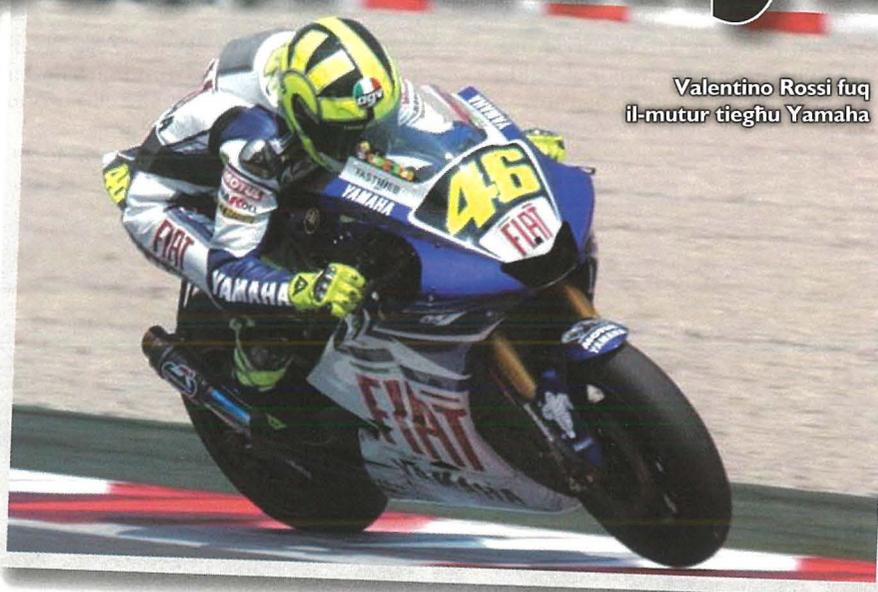

Is-sewwieq Awstraljan, Casey Stoner, ikkonferma li huwa champion denju hekk kif kiseb l-ghaxar rebha fil-Moto GP, fil-Grand Prix tal-Malaşja, f'Sepang.

Stoner li jsuq mutur Ducati, mill-ewwel mar fuq quddiem liema vantaġġ baqa' jzomm sat-tmiem. Izda wara t-tigrija huwa sostna li ma tantx kienet faċli għalih li jibqa' jzomm il-koncentrazzjoni sa l-aħhar fejn ikkommetta bosta żbalji li setgħu kienu ta' detriment kbir għalih speċjalment lejn it-tmiem.

Huwa rebah it-tigrija f'hin ta' 43:04.405, u għal diversi drabi deher jiġi attakkat mill-Ispanjol, Dani Pedrosa (fuq mutur Honda) u mit-Taljan Marco Melandri (fuq mutur Honda).

Izda s-sewwieq Awstraljan ta' 22 sena wera l-potenzjali u l-esperjenza tiegħu biex finalment huwa għeleb lis-sewwieq Taljan b'vantaġġ ta' 1.701 sekondi, b'Pedrosa jidhol fit-tielet pożizzjoni.

Jekk Stoner għaddej minn vena brillanti mhux l-istess jista' jingħad għas-sewwieq Taljan, Valentino Rossi (fuq mutur Yamaha), rebbieh ta' hames kampjonati, spicċa fil-hames post wara li

Valentino Rossi fuq il-mutur tiegħu Yamaha

beda mid-disa' pożizzjoni.

B'din ir-rebha, Stoner irregistra rekord meta huwa l-uniku sewwieq li rebah it-tliet kategoriji fiċ-ċirkwit ta' Sepang. Fl-2004 rebah dik tal-125cc u fl-2005 rebah il-kategorija tal-250 cc.

F'kumment qasir Stoner qal li jinsab

kuntent li kiser ir-rekord taċ-ċirkwit ta' Sepang. Izda ma kienx kuntent bil-prestazzjoni tiegħu lejn it-tmiem minhabba li kkommetta bosta żbalji speċjalment lejn it-tmiem u hassu wkoll stordut hekk kif qabez il-linja tat-tmiem it-tigrija.

# Raikkonen jgħlel Hamilton u Alonso

Is-sewwieq Finlandiż tal-Ferrari, Kimi Raikkonen, huwa ċ-champion il-ġdid tal-Formula. Wiehed meta l-bieraħ, fil-Grand Prix tal-Brażil, fiċ-ċirkwit ta' Ingterlagos irnexxielu jgħleb l-isfida taż-żewġ sewwieqa tal-McLaren, il-Britanniku Lewis Hamilton u l-Ispanjol Fernando Alonso biex fil-klassifika spicċa fil-quċċata b'110 punti,

wiehed aktar minn dawn iż-żewġ rivali.

Hamilton kien il-favorit li jirbah dan il-kampjonat meta kull ma kellu bżonn kien li jipplejsja fuq il-podju.

L-isfida tiegħu spicċat hesrem meta fit-tmien dawra huwa kellu il-problemi fil-makna biex beda jaqa' lura fil-pożizzjonijiet minhabba li tilef 40 sekonda.

Iżda wiehed irid jgħid ukoll li Hamilton kellu bidu ferm hazin meta mat-tluq, li kien fit-tieni pożizzjoni, għaddieh Raikkonen kif ukoll Alonso u meta pprova jerga' jikseb il-pożizzjoni spicċa barra t-track biex tilef sekondi prezzjużi.

Kollox ma' kollox din kienet tigrija li kienet iddominata mill-Ferrari u wiehed jista' jghid ukoll li kien jimmeritahom

li jrbhu dan il-kampjonat wara l-kontroversji li nqalgħu bil-konsegwena li t-tim tal-McLaren gie sospiż u mmultat \$100 miljun.

F'kumment li ta wara t-tigrija, Raikkonen ma setax jahbi s-sodisfazzjoni tieghu li issa huwa ċ-champion il-gdid.

Huwa tenna li kien kampjonat
