

Mr Joseph Sciriha
Principal
Junior College
Msida

20 November 2012

Dear Mr Sciriha,

On behalf of the Organising Committee of the Discover University! Open Week 2011, I would like to thank you for the special effort that you and all your colleagues made in support of this event. All the members of your team really went out of their way to create stimulating events both at Junior College and on campus. However, I feel that Ms Elaine Yoke Camilleri should get a special mention for her hard work.

The contribution from Mro Pirotta and the Junior College Orchestra was certainly appreciated by all those who heard your wonderful musicians. I was especially pleased to see some of them at Skopri l-Università fit-Tlett Ibliet. The audience there may have been small but it was most appreciative. We all look forward to hearing more music from them in the future.

With renewed thanks and best regards,

Patricia Camilleri

Director – Communications & Alumni Relations

cc. Rector

I would like to join Mr. Camilleri in thanking you for your participation in 'Discovering University' and the inauguration of the sports ground.
