**Subject:** Christmas mass for school children

Dear Mr Sciriha

The Projects and Initiatives Section within the Directorate for Educational Services is once again this year organising the Christmas Mass which launches the Community Chest Fund event of Milied Flimkien. The Junior College Orchestra has participated in this event in previous years, under the direction of Mro E Pirotta, and we would like to invite the orchestra to participate in this year's holy mass which is going to be held at St John's Co-Cathedral on Tuesday 18 December at 9.30am.

H.E. the President of Malta will be attending while H.E. the Archbishop will celebrate Mass. Representatives from all schools will be present for this occasion.

Regards

Joanna
