THE JUNIOR COLLEGE SOIRÉE

A LETTER FROM THE PRINCIPAL

Dear all,

Welcome to this year's Soirée.

At the Junior College we offer a unique learning experience aimed at developing our students holistically and not just academically. In this respect, we offer a variety of activities which complement the academic program.

Without any doubt, music, theatre and performance contribute towards this end in no uncertain terms. At the College, we have a long tradition of organizing the annual soirée during which we have the chance to appreciate the talents of so many students, both on and back stage.

I would like to thank all participants and our sponsors for making this soirée possible and you for being present.

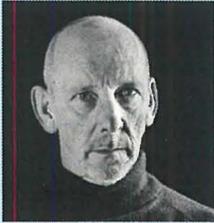

I hope you enjoy the show.

The Principal
Paul Xuereb

THE DIRECTORS

Director

STEPHEN OLIVER

I am delighted to have been asked to direct another Junior College Soirée again this year. I have long been fascinated by the darkness of the Alice books and wanted to take a more urban approach to Alice in Wonderland. I am indebted to the enthusiasm, maturity and commitment of the students participating tonight.

Asst. Directors / Vocal Coaches

AMY CORDINA, & MICHAELA ACIUS

The past few weeks have been admittedly extremely tiring and stressful, but in the end when we saw how great this cast can work together it made it all worth it. We are very proud with the entire Theatre Group's outcome and both of us are incredibly excited for you to experience Alice's journey through Wonderland.

Choreographers

JULIA SCHEMERI & RHEA FENECH

Its been a great experience working with such talented people although the task can get a bit tedious at times. We have become a family, helping each other improve our talents learning to work as one. We are extremely proud of the theatre group's production of "Alice in wonderland" and after working hard for the past few weeks we can't wait for you to join us on our journey to Wonderland.

Maestro

MANOEL PIROTTA

The JC Orchestra is very excited and looking forward to perform in the important annual event of the JC Soirée 2017 as we have always done with honour. Good luck to all the performers taking part!

THE JUNIOR COLLEGE SOIRÉE

THE COMMITTEE

We are so unbelievably proud to announce this year's Junior College Soirée, 'Alice in Wonderland' especially after the success of last year's Soirée Dracula, which marked a new beginning in JC soirées.

So much hard work, energy and creativity has been put into this better than ever production, by so many different people whose aim was to create a magically mad night for all in Wonderland. It truly has been a mad journey of new friendships, laughs, but most importantly... performing! We hope you enjoy it as much as we love it.
