A MESSAGE FROM THE PRINCIPAL

Welcome to this year's Soirée.

At the Junior College we offer a unique learning experience aimed at developing our students holistically and not just academically. In this respect, we offer a variety of activities which complement the academic program.

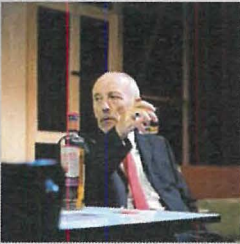

Another year has passed and the JC Soiree is back. Every year it gets bigger and better. I am really proud of the talents of our students and very happy indeed that they are sharing them with us all. A big thank you to all involved. Your dedication, commitment and hard work will surely pay off.

I hope you enjoy the show.

THE CREATIVES

DIRECTOR

STEPHEN OLIVER

As always, I am impressed by the enthusiasm and commitment of the students involved both on stage and backstage. Despite initial problems with the original choice of production, the students have rallied as a group and their efforts are evident in tonight's performance. My thanks to the the JC Theatre group committee, the Principal and Vice Principal and their staff and to my assistant director Annalise.

ASST. DIRECTOR/VOCAL COACH

ANNALISE EBEJER & SIAN JONES

Throughout the creation of this year's Soiree, we have overcome many obstacles that led to this production. It has been a crazy few months in which our greatest efforts were made to bring 'Ebenezer' to life. We sincerely feel that through the good and the trying times, we have grown closer as a family. It has been a truly incredible journey through which we have learnt a great deal and will surely not forget!

DANCERS

JULIA SCHEMBRI, EMILY ABELA, RHEA FENECH, CLARISSA FRIGGIERI, & ELISA SCERRI

It's been a pleasure working with one another for the past two months. There have been moments where we may not have agreed at first, but we have learnt to make compromises, and put our differences aside and instead combined them, developing our art form even further. It was a great experience working with such talented people. We can't wait for you to see what we have in store!

ORCHESTRA

MANOEL PIROTTA

The UoM JCO forms an integral part of the college cultural agenda. It performs a vast repertoire of popular classics under the baton of Mro. Manoel Pirotta. Performs in many a local events and also played in major European cities. First CD album 'Celebrating 15 years' (2013). A 2nd CD album 'In Christmas Mood' to be launched this year to mark its 20th anniversary.

THE COMMITTEE

We welcome you all to 'Ebenezer' , the 2018 Junior College Soirée. Everyone involved has poured in so much hard work and passion over the past few months so much so, that we are overjoyed at all we have achieved. Every aspect of this soirée is due to the amazing talent and huge efforts of cast and crew alike and we are therefore ecstatic to be performing for you all tonight. We hope that you enjoy this magical evening filled with memories and redemption.
