Interested in publishing in an Open Access Journal?

Does your area of expertise include Biology, Genetics, Medicine, or Primary Research?

Then you might want to have a look at PLoS!

PLoS (Public Library of Science) is a nonprofit open-access publisher that produces 7 high-quality, peer-reviewed journals focusing on science, technology and medicine.

PLoS utilizes the full power of Open Science principles to maximize the visibility and impact of your work.

You can visit the main PLoS website [here](https://www.plos.org/).
